Tina &
Jacquie

Kissy kissy and welcome to the slavering big **Luurve Issue**. Well, you know it's Valentine's Day and all that **sloppy sticky stuff**, and we have to fill the mag with something! And talking of **love** there's plenty of mingeful little minxes to fall for this month. For ex: **Caroline** (big tits, nice arse, beautiful boat race), **Sarah Jane** (blonde, babelicious and up for it), **Vanessa** (sweet, sexy and shaggable) and bonk-me-bandy **Brandi** (shoom!). And I haven't even mentioned that tiny tart **Tina** and her bubbly bed-mate, Club Girl of the Year, **Jacquie**. They're up to their knuckles in pussy pie, but quite honestly I was surprised our Jac even made it to the shoot...

You see it was Jacquie's **birthday** a couple of weeks ago and, perhaps because of her new-found fame or simply because she's a **one-woman fuck fest**, a mega-famous **movie star** took her out for a celebration nosh up. By 2am young Jacquie was, to put it mildly, **larruped**; well oiled; pissed out of her tiny, etc. Problem was she had to get up to go on our Tina shoot at 8 in the morning. So, like **Cinderella**, our blonde super-babe kissed her star goodnight and left the party, returning to her swish Knightbridge hotel.

There she stripped off and slipped into bed – only to find **two surprise guests** in it. Two old college friends, Mike and Jane, had decided to pay her a b'day visit and had been waiting all evening in her room, finally bedding down when Jacquie still hadn't turned up by

midnight. Now what could poor Jacquie do when faced with these two? Fuck 'em, of course, **etc, etc, etc**!

I hardly need tell you what a state the naughty **nymph** was in the next AM, but that was nothing compared to the state of her friends. It wasn't a pretty sight. But, eventually we managed to get Jac out of one bed into another one with Tina. **Phew!** I dunno. I'm trying to run a magazine and all these girls do is go round shagging everything with a **pulse**. And you lot thought this job was **easy**... – *The Stressed-Out Ed.*♣

Oh, don't be silly, darling... of course size doesn't matter!

WHAT A CRACKER!

The festive season may just be a memory now, but you certainly gave us some right crackers inside the Xmas issue of Club (Vol 23 No 13). Every girl inside the mag was simply stunning – and what a choice we had to make for the Girl of the Year. How can you expect us to pick out just one girl out of all those stunning birds, huh?

In the end I have to say that it was Sonia from that same issue who really swung it for me. Where did you find this vision of lip-smacking loveliness? I've always had a thing for blondes and when they're as beautiful as Sonia, then that's even better. Her breasts were absolutely perfect, her skin completely smooth and flawless and her downy pussy looked positively mouthwatering. Jesus, what I'd give to wake up and find her in my Xmas stocking come December. Please let's see a lot more of this sexy stunner real soon...

SPUNK HUNGRY!

I've just had an unbelievable sexual experience and I couldn't wait to write in and tell your readers all about it. After all, it happened as a direct consequence of buying the latest issue of Club late one night last week. Let me explain...

I've always had a fancy for Marcie, a little stunner who lives right across the road from me. She's got a classic hour-glass figure, with a very slim waist and a lovely pair of big knockers that look really sensational. Although I see her almost every day, we've only ever exchanged pleasantries – much to my annoyance!

Now, I usually pick up the latest copy of Club after I finish work at around 8pm when I know it'll be fairly quiet in the newsagents. So imagine my surprise when I grabbed the mag from the top shelf and then turned around to see Marcie standing there. "Just finished work then?" she asked, a barely disguised smile playing across her mouth. I nodded, struggling not to stare at her huge tits. "How do you fancy popping over for a bite to eat?" she said, and I could have sworn she gave me a saucy wink.

"Right now?" I asked her.

"Yeah, why not," she replied. "C'mon..."

I could hardly believe my luck as we walked up the road together chatting like old friends. She's hardly said hello to me before now, but here she was asking me for dinner and flirting like mad with me.

Once inside the house, Marcie told me to sit down on the sofa and make myself comfortable. She put on some music and then disappeared into the kitchen for a few minutes. A little while later she came through with a bottle of wine and two glasses and sat down beside me on the sofa. "Well, are you going to let me have a look at it then?" she whispered excitedly.

Jesus, I almost choked on my drink! "Err, a look at what?" I stammered.

"The new issue of Club," she giggled, "what did you

think I was talking about then?"

I blushed bright red and passed her the magazine from my bag. Flicking casually through the pages, she stopped at the centrefold of Carla (Vol 23 No 13) and held the magazine at arm's length. "This girl is my favourite," she breathed huskily. "What do you think of her, Scott?"

"She's very sexy," I said.

"As sexy as I am?" she asked me. I could feel my cock hardening by the second, but before I had the chance to say anything, Marcie suddenly stood up and knelt before me. She fixed me with a sexy smile as she undid her blouse, and her massive tits fell free. Circling her fingertips around her nipples, she gently pulled on them and then stood up. "Do you think I'd make a good model?" she asked, running her hands down over her hips. I nodded frantically.

"So you think I have a nice body then?" she continued. Without even waiting for an answer, Marcie eased her knickers down to her ankles and stepped out of them. Her neatly-shaven pussy stared

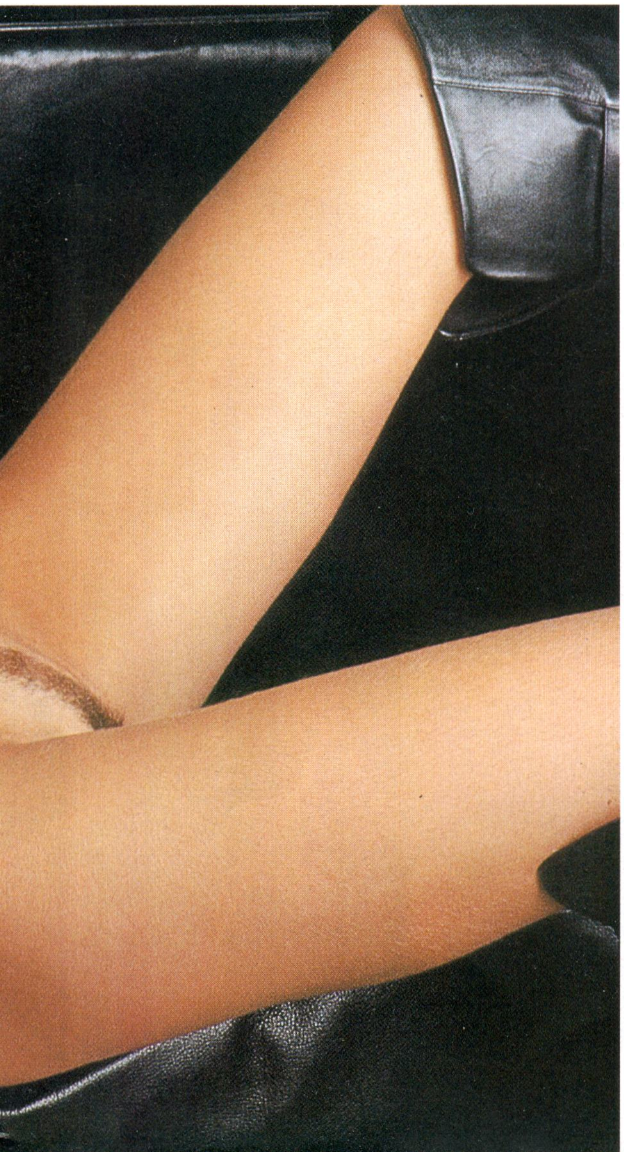
Carolina

Photographs by Vanity

Carolina Meredith loves leather and adores the men who wear it. "I'd love to have been a biker, but Basingstoke is hardly Hells Angel country! The only Fat Boy round these parts works in the chip shop!"

Instead Carolina settles for wearing black and boots, and being screwed by the kind of men her



mother wouldn't approve of. "Heaven is being fucked hard in a field by a long-haired leather-clad biker, after he's put me in the mood by taking me for a spin on his Harley first. If he's dirty and covered in oil, all the better!" There's obviously more to Carolina than worrying about appearance! ♣

gorgeous!

Talisa Soto

Films based on video games sound like a godawful idea (anyone remember *Super Mario Brothers*?), but all is forgiven in the case of *Mortal Kombat* which stars the exquisitely-named **Talisa Soto**. The 22-ish-year-old actress started out as a model, but was soon spotted by the producers of the Bond films who offered her a part in *A View To A Kill*, but it is *Mortal Kombat* that looks like making her a household name. The film opens here in the UK next month and is worth the price of admission just to see the fine form of Ms Soto high-kicking her way across the screen. Just make sure that you book a front row seat, fellas! ♣

BOARD STUPID?

Have you ever had your heart broken by the woman of your dreams? Then this Valentine's Day don't bother saying it with flowers, tell her how you really feel with a skateboard or a tee-shirt from those mad Canadians at the Bitch Skateboard Company. Their logo, showing a guy aiming a gun at a woman's head, has forced Bitch products off the shelves in Canada and the United States and looks like causing the same commotion in the UK. Rumours that outraged feminists have launched their own clothing label, You Never Tell Me You Love Me Any More And All You Do Is Go Boozing With Your Mates are believed to be a feeble attempt at a cheap joke. Sorry. ♣

BOWLED OVER

How far would you go for love? Not as far as you'd go for a ticket for the FA Cup Final, I'd bet. In America, the 7th Annual 'What would you do for Superbowl tickets?' attracted nutters like Gabriel Soto from California, a very hairy man, who had his body covered in

much that he has invented the E-7 Equalizer Ecology Hat that enables him to smoke in the privacy of his own goldfish bowl.

Walt got so fed up with FAF's (fresh air freaks) that he put his engineering skills to use and assembled the hat. A clear plastic shield forms an isolation zone in front of his face, complete with an ashtray inside. Now he can smoke in his favourite restaurants and light up at football games without disturbing anyone. Walt's already working on his next project – the Ecology Wine Hat. We'll raise our glass to that. ♣

John Robillard from Santa Ana put a cheese pizza on the seat of his motorbike, rode around town dressed in his wife's g-string and then allowed her to eat the cheese pizza off his arse. And he came second! The winner was Chuck Krantz from Hollywood who became 'The Human Car Bonnet Ornament', covering his body in plaster of paris and posing on the bonnet of his car while driving around California. Sad man. ♣

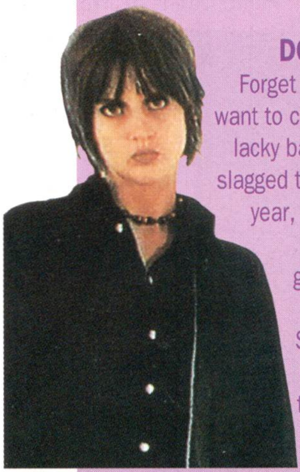
WHO DO YOU LUURVE?

Problems, problems... There's so many shaggable girls on the up at the moment it's hard to know which one to wank over first. So here's Club's handy guide to the top ten new babes on the block



DONNA from ELASTICA

Forget Kylie. The number one babe we want to chomp our chugger is Donna out of lacky band Elastica. Yeah, we know we slagged the nearly all-girl pop group off last year, but that was before we copped a decent eyeful of the gorgeous guitarist's mush. She's a stunna; all tousled hair, wicked eyes, SUCK-OFF LIPS and cute bum. We reckon that bloke from Blur made the wrong choice when he climbed over Donna for the sexy but barely shaggable Justine from the same band. Hard cor! We know the score!

CARRIE from SHAMPOO

If ever anyone looked like TROUBLE, then it's cute little Carrie from pop wannabes Shampoo. The mangey minx's nightclub antics make Madonna's more outrageous moments look like menopausal tantrums. Carrie's notoriety for sinking pints and snogging boys is lunch-time legendary and stands as an example to all girls of her tender age. The sort of girl who would shag you then roll over before you come, Carrie is our idea of the perfect bit on the side. But we'd never trust her with our home phone number.

CAMERON DIAZ

Top style mag *GQ* reckons that creamy Cameron has a weird face. WEIRD? WEIRD?! What the fuck do they know, huh? The 22-year-old actress is a walking talking orgy of sexual possibilities... and then some. Look at her mouth, fer chrissakes. She looks like she could suck a salami through a sieve. Cameron has all the makings of a big screen super star, which is a shame really 'cos the more famous she becomes, the less likely she is to fall for the sort of cheap and corny chat-up lines we come up with all the time.

ANNA FRIEL

Quite honestly we're getting a bit bored with 18-year-old *Brookside* babe Anna. She was alright while she was snogging other birds and posing about in stockings and sussies in *Loaded*, but now the whole thing's wearing off. Perhaps it's the way she comes over all SELF-RIGHTEOUS and grown up in interviews, we dunno. Whatever it is she's running a very real risk of never being asked to get her kit off for Club.

MICHELLE GAYLE

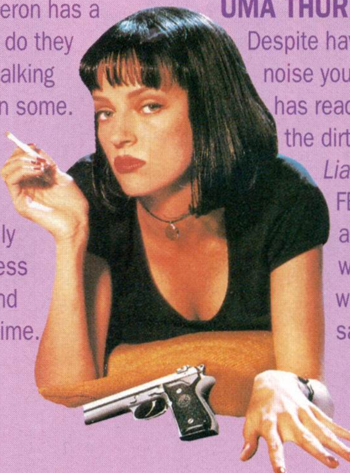
Sweet soul singing ex-*EastEnder* Meeeeechelle is the *Ford Escort XR3i Turbo* of the babe world. Don't ask us why, she just is, okay? When she whined her way through BBC1's dopey soap a while back, you'd hardly have noticed her sleek looks and top bod, probably because you all had your little peepers on the Square's other Michelle – NOT! Now our Gayley has blossomed into a beauty and her songs aren't too bad either.

LOUISE from ETERNAL

Good band. Good name. Good God, look at the face on her! Yes, Louise from Eternal can't dance, barely sings, but it doesn't matter 'cos she looks amazing. All the right parts in all the right places makes for a fine combination of tits and bum on this girl from a posh stage school. Funny surname though, NURDING.

FEM2FEM

You get the impression that not all these girls are as great in the flesh as they look in their pop promo vids but, fuck, who cares? They're into bedding birds and blokes so even if you got stuck with one of the DODGY ones you'd still have something to watch.



UMA THURMAN

Despite having a name that sounds like the noise you make just before you barf, Uma has reached Strato-babe status through the dirty bits in films like *Dangerous Liasons*. Uma comes quite close to FEMALE MELTDOWN in our book and looks like the sort of girl who would not only swallow your spunk with a smile on her face, she'd save a little for later too. ♣

tina hayes sex babe!

Photographs by Maria Clarke

Hello again, guys! Thanks for all the lovely Valentine cards that you sent me. I was so pleased to read through them all, and one of the best I received came complete with an invitation from our Girl of the Year, Jacquie, to join her for a quick mouthful at a bar she knows. How was I to guess that the mouthful would be her sweet minge and the liquid refreshment her lovely warm come?

As you all know, I've become to appreciate the female form quite a lot after my first clit-licking session with Erin a few months ago. Let me tell you, Jacqui was even better. Her boobs are beautifully firm and her nipples sprang up the moment my tongue touched them. She's so gentle too. Her hands felt like a pair of silk gloves on my breasts and bum, then when her fingers slid between my pussy lips... Wow!

It's a good job the bar was closed 'cos we went absolutely wild, licking, nibbling and sucking each other more and more frantically as we got hotter. And Jacqui is a very noisy lady! Her filthy language lit up the street better than the neon sign! I have to say that this column is the best thing that's ever happened to me – see you all soon!

letters to tina

Dear Tina,

I've been buying Club for three years now, and I reckon you're the sexiest woman to ever appear in the magazine. From the very first time I saw you I was smitten and I couldn't wait to write in and reveal my naughty fantasy to you...

Now that it's mid-winter, I can't think of anything I'd like to do more than to whisk you off on holiday somewhere hot and sunny with deserted beaches and clear, blue water. We'd pose as a honeymooning couple – which would give us plenty of opportunity to indulge in rampant sex whenever the urge took us!

I can imagine lying beside you on the beach, mesmerised at the sight of your near-naked body. I watch as you peel off your bikini top and rub suntan oil into your skin; droplets of the oil rolling down between your breasts and onto your stomach. My eyes follow down further to your pussy and I can't resist reaching over and snaking my hand inside your knickers. You moan quietly as I ease a finger inside your wet snatch and gently frig you.

"Fuck me," you whisper as you lie back and spread your legs. Your pussy glistens enticingly and I slowly slide my cock inside your cunt, feeling your pussy walls throbbing around my cock.

You throw your head back as an orgasm pulses through you, then you reach down and ease a finger alongside my cock urging me to come too. I buck wildly as I feel my balls contract and then I pull my cock out and shoot my sticky load all over your stomach and tits.

I've got my passport ready, Tina, how do you fancy joining me for some horny fun in the sun? – *Eddie, Derby*

Sun, sea, sand and sex, sex, sex – that sounds like my ideal recipe for a fortnight's fun in the sun, Eddie! I have to admit that there's something about the warm weather that brings out the nympho in me, and I get an irresistible urge to have as much sex as possible! Of course the weather may be on the chilly side at the moment, but I know the perfect way to warm things up!

Dear Tina,

I've just finished looking at the pictures of you with Erin in the latest issue of Club (Vol 23 No 13) and I couldn't believe my eyes. It's always been my fantasy to see you with another woman, Tina, and you certainly done it with style!

I reckon the two of you compliment each other perfectly; two lovely pairs of pert breasts, two sexy bums and two trim pussies working together in unison – it's got to be every man's dream! Two may be company, but I reckon three's perfect – especially if I'm the lucky fella! – *Chris, Lincoln*

Well, you never know your luck, Chris! I've always loved the idea of a threesome; I can just imagine sucking on a meaty cock while a beautiful girl lies between my legs tonguing my clit! Oooh, sound heavenly! By the way, I hope you like these sexy pictures of me and Jacquie... ♣

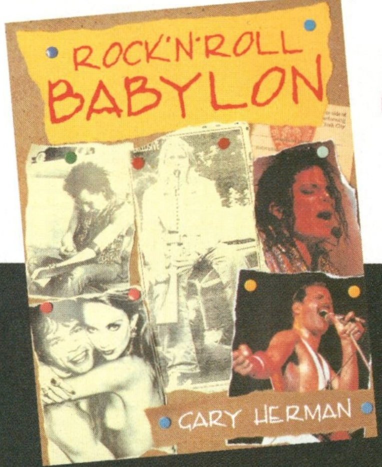
SCHLOCK AND ROLL MUSIC

Owner of a lonely heart and a mint-condition Yes back catalogue, **James T Bone**, casts his eye over the crazy world of rock and roll...

For my money (and it isn't really worth a great deal) the music press is far too cosy these days and seems to indulge in sanctimonious ARSE KISSING at every possible opportunity. Just look at the way those crushingly dull AOR rockers **Pearl Jam** and Beatles copyists **Oasis** have soared to the heights of stardom, without so much as a word of dissent or criticism from the music press. C'mon guys, whatever happened to VITRIOL and RANCOUR, huh?

Thankfully my faith in such fine human qualities has been redeemed by Gary Herman, who is one of the most sarcastic and scathing writers I've ever read. He's just chronicled his barely-concealed contempt at the music industry and its stars in an excellent new book, *Rock and Roll Babylon*. Nobody escapes his acid tongue from Mark Bolan ("His youthful image belied his rock star lifestyle – even his teeth were false") to Kurt Cobain ("... a poor sap"), while he reveals – with unbridled glee – that the real name of Guns 'n' Roses' guitarist Izzy Stradlin is actually Jeffrey Dean. Hey, rock and fuggin' roll, Mr Izzy.

There are some outrageously tasteless photographs in the book too: Lou Reed is pictured injecting heroin, Marianne Faithful is seen lying unconscious in casualty after a failed suicide attempt, Kurt Cobain lies comatose in the back of an ambulance and Otis Redding's corpse is pulled from an icy river after his death in a plane crash. This book is a riveting read and makes a change from the usual fawning biogs written about rock stars. Gary Herman manages to succeed in making Albert Goldman look like Andrew Morton. What a talent!



- It's good to see **The Stone Roses** back after a five year hiatus, but even better to see that they decided to bypass the NME when it came to giving their first interview in five years. Despite the paper giving the band a seven-page feature (which had no new quotes, no new photographs and no new facts) a week before the release of their new LP, *The Second Coming*, the band decided to grant The Big Issue a world exclusive interview instead.

"The NME and all those other magazines come to expect the right to an interview," said bass player Mani. "They're just a bunch of sixth formers who've spent too long pogoing around their bedrooms with tennis rackets. Their views and opinions are no more important than anybody else's." Too right...

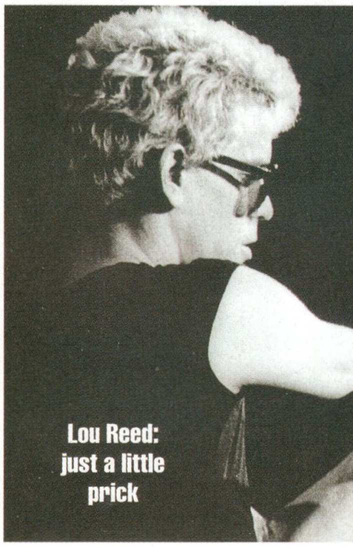
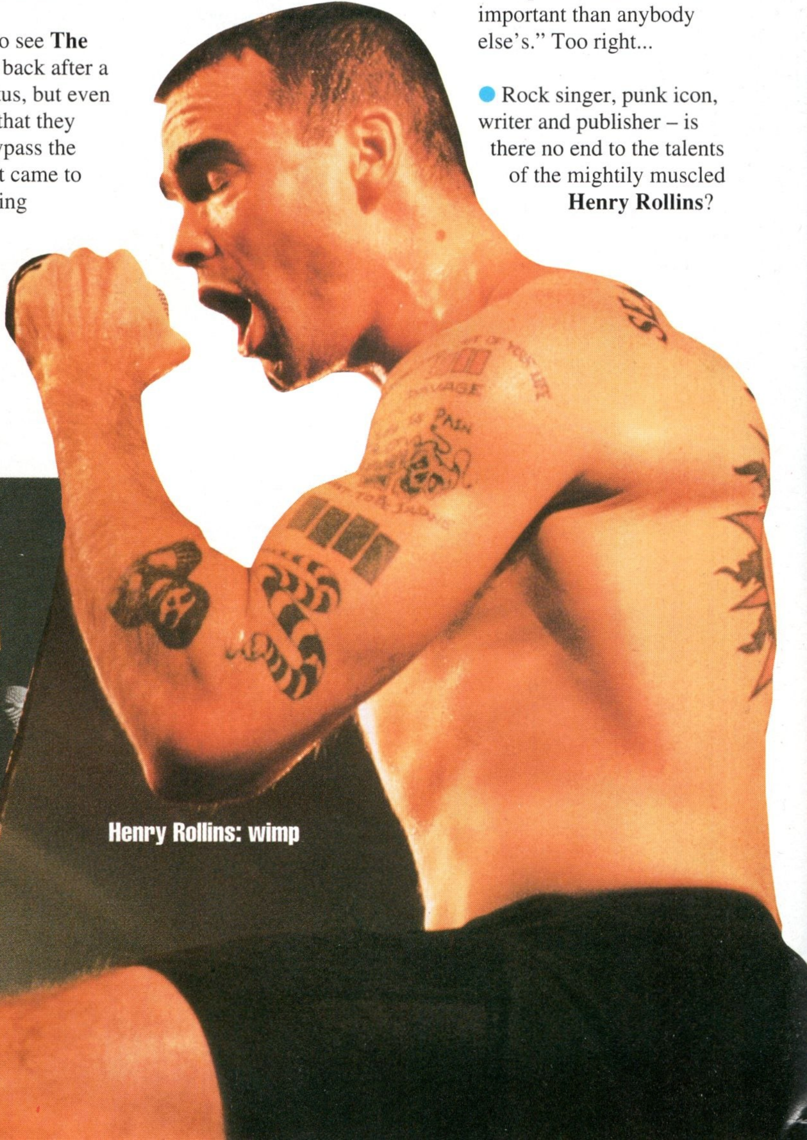
- Rock singer, punk icon, writer and publisher – is there no end to the talents of the mightily muscled **Henry Rollins**?



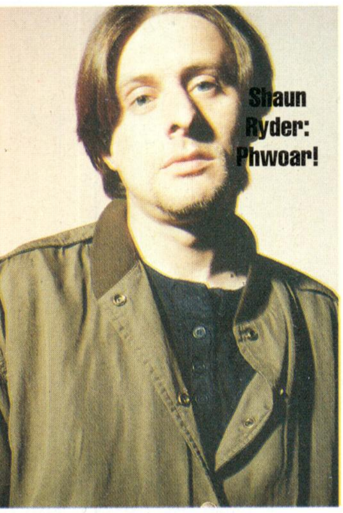
Lou Reed: just a little prick



Henry Rollins: wimp

Apparently not according to Oliver Stone. The film director was so impressed with Henry's acting debut in *Johnny Mnemonic* (with Keanu Reeves) that he says he would have chosen him above Woody Harrelson for the role in *Natural Born Killers*. Now there's a SURPRISE, Ollie, I had guessed we wouldn't see Mr Rollins in a remake of *Snow White*. Doh!

- Hey, ladies! I'm overjoyed to bring you the knicker-wetting news that former Happy Mondays singer **Shaun Ryder** is currently putting together a new group. Yes, the man who sent females everywhere delirious with desire should have a record out later this year. Just keep a space on your bedroom wall beside those posters of Let Loose and Boyzone – 'cos the Toad of Love is back...



Shaun Ryder: Phwoar!

- Keep your eyes open for forthcoming gigs from **Minty**, the band fronted by performance artist Leigh Bowery. Their live act includes Leigh giving birth while his musical cohorts drink their own urine and stick syringes into their stomach. Lovely.

The band have already incurred the wrath of The Soho Society who have called for Minty to be banned from performing concerts in the area. Presumably they won't be listening to the group's debut single *Useless Man* either, which includes the brilliant line: 'Mutha fucking/cock sucking/fist fucking/useless man'. Well, you got to admit, it's a fuck sight better than PJ and Duncan. See ya later, dudes and dudesses. ♣

BATTLE OF THE BANDS

The man behind the country's finest fanzine *New Britain*, **Matt Black**, reveals the bands that you'll be falling in **LOVE** with during 1995...

Out of my mind on weed and booze at last year's Notting Hill carnival, I'm introduced to a lad who hasn't started shaving yet. Sweating profusely in a single-breasted, three-button suit, 17-year-old Chris is a mod. Modern in 1965, just a mod in 1994. He tells me he likes my style. I feel a wave of great relief that he knows I'm in the know.

Chris plays guitar for a band called MENSWEAR, a gang of five delinquents who steal from The Beatles and The Faces, and newer bands such as Oasis and the Stone Roses and turn it up loud. However, unlike late 20-somethings Oasis and the Stone Roses, Menswear are young. So young in fact that they aren't even old enough to buy a copy of this very magazine you have in your hands.

Their first gig at London's hip club Smashing! earned the group no less than nineteen offers from prospective record labels, and even more offers from adoring female fans. At their second gig (whilst most other bands are drunkenly fumbling in front of their mates at the Dog & Dick pub), Menswear played at The Garage in front of a packed house of coked-up label executives and media moguls lusting over a slice of what they'll never have – YOUTH.

Of course, it's a sad reflection on the music industry that in 1995 bands such as Menswear can get signed up for thousands of pounds before they've even played their second gig. But who cares? Menswear don't, they're having the time of their (young) lives. In the future, Menswear want The Beastie Boys to produce their album and are excited at the prospect of techno remixes of their first single. Hey, maybe they are MODERN after all.

TRIBUTE TO NOTHING rose out of the Midlands, but don't hold that against them. They play American punk rock in Brummy accents and they look like skateboarders. In the tradition of my favourite band, The Beach Boys, they are all brothers (aged 14, 16 and 18) and they tour with their Mum and Dad who both roadie and manage them. Sadly, they declined to be interviewed for Club. "They're too young," explained their Mum.

Another band that – like Menswear – have avoided the dreadful pub circuit are the brilliantly-named GLUE BAG ESTATE. The Glue Bags, as they're affectionately known, rose to prominence after their drummer Ollie did a stint of work at ACUPUNCTURE, Soho's premier punk nutter boutique. They also collared the Manic Street Preachers recently, who were so impressed with the band they promised them a support slot if they got their shit together and wrote a song.

After kicking out their bass player (who was 11 years old!), the band's line-up rests on Robin on bass, Matthew on guitar and Ollie on drums. They're all 16 years old. Their debut single *OJ* (about OJ Simpson) is soon to be released on Acupuncture. An album follows soon after, that includes songs such as *Eject Dictator*. "That's about a bloke who collects his dole and sits around all day wanking," says Ollie.

Is that a bad thing then?

"No, given half the chance that's exactly what I'd do!" retorts Ollie, who still practises his drumming on his Mum's pots and pans.

"The funny thing is," adds Ollie, "loads of people know about us, but nobody's actually heard us yet. We've just blagged and bullshitted our way this far..."

SKINNED TEEN are both young and female. They started as three bored schoolgirls from a London suburb, hanging onto the coat-tails of bands such as Huggy Bear, forcing their audiences to impromptu performances of teenage exorcism. Since then, the band (Esme, Layla and Flossy) have refined their wailing noises to a lot of screaming and guitars. They're great. But like their English label mates Huggy Bear, Skinned Teen don't get the recognition they deserve in this country, gaining the most praise from America and, strangely enough, Belgium. Belgium? ♣

vanessa

Photographs by Scott Evans

Posing romantically for Valentine's Day in the seductive countryside is sweet, innocent Vanessa from Cleveland. "Am I bollocks!" she says sternly.

I'm sorry, Vanessa?

"I hate all that slushy stuff," insists Vanessa. "I've never called any fella Snugglebum or Pooh Bear in my bloody life. Flowers make me sneeze and chocolates give me spots!

"If I want to lure a guy I don't bother

with all that crap, I just give him a flash of what he could be getting – a quick glimpse of a nipple or a few whispy pubes poking out of my tight panties. It gives him a stiffy far quicker than any classified ad!" ♣

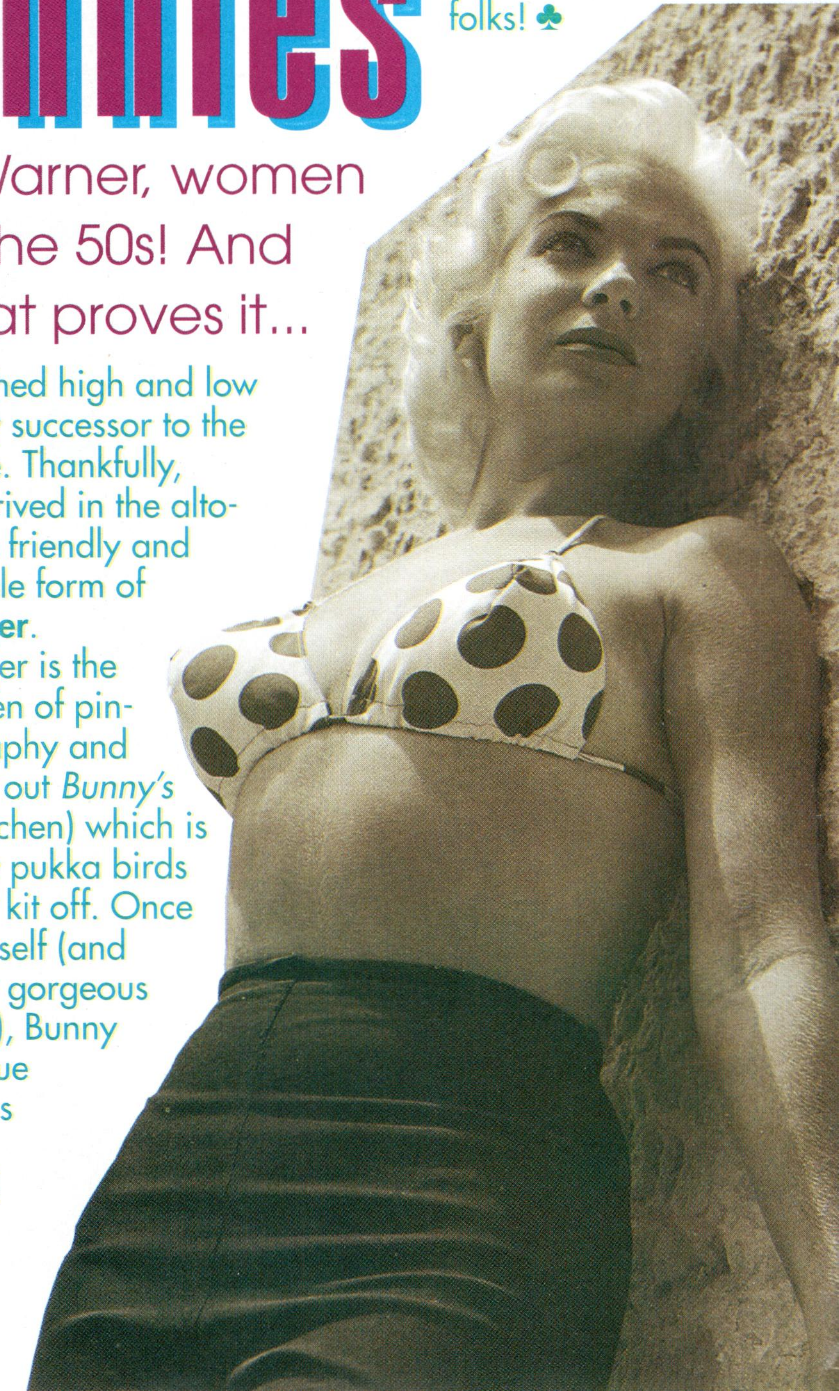
cuddly bunnies

Crikey, Mr Cholmondley-Warner, women did have breasts back in the 50s! And there's a new book out that proves it...

In our humble opinion the only rabbit worth its weight in carrots is BASTARD BUNNY, the boozin' and smokin' funny bunny who has been known to scare the pants of E'd up clubbers right across the country. Now he's in semi-retirement and living on a tropical island paradise after his vast publishing and clothing empire went ballistic, we've searched high and low for a worthy successor to the Bunny name. Thankfully, salvation arrived in the altogether more friendly and cuddly female form of **Bunny Yeager**.

Miss Yeager is the 1950s Queen of pin-up photography and just brought out *Bunny's Honeys* (Taschen) which is full of totally pukka birds getting their kit off. Once a model herself (and pretty damn gorgeous she was too), Bunny found her true vocation was behind the camera and began photographing the likes of Betty Page and Maria Stinger for *Eye*, *US Camera* and *Playboy* magazines. The book contains some very good pictures, ranging from arty black-and-white snaps through to flakey cheesecake poses and sells for about £12 in all pervy bookshops.

On the other hand, if this doesn't sound like your cup of tea, why not part with £1.50 for issue 8 of Bastard Bunny and keep our foul-mouthed, fluffy friend in the style to which he is rapidly becoming accustomed (details from PO Box 2661, London N1 1XY). That's all, folks! ♣



READERS' LIVES

Sunday mornings were made for staying in bed with your loved one, right? Not for **Adam Porter** who opts for ritual humiliation every time...

I feel terrible. It's Monday morning and I've had a dreadful weekend. I had been out all Saturday night, and in a vain attempt to find a girlfriend, I had been trawling the clubs of the West End not knowing E from my elbow. On my travels I had met Jasmine. Much to my surprise, she and I got along really well. So well, in fact, that she had decided to accompany me to my usual Sunday morning torture of playing football.

Picture the scene: it's a cold January morning and the ground is as hard as marble. Instead of staying between the sheets with this vision of loveliness, I am playing football. Am I stupid? Despite the fact that our team have reached the Final of one of the cup competitions this year, we are not a good team. This Sunday, unfortunately for me and my chances of having any form of sexual contact with someone other than myself, the football game was H-E-L-L. As well as finding ourselves on the end of a good 7-1 stuffing, the opposition were bored with scoring at will and had decided they wanted to fight us. As usual, the man marking me was also a good two stone, five inches and eight years older than I am.

My knob had completely retracted into my abdomen

Jasmine was finding the experience pretty gross. The sight of twenty two athletes at a Premiership game might have kept her interest. However, the sight of twenty two hungover fools whose footballing ability would amount to less than Vinny Jones with no legs in a paddy field did not impress her. Then it started to rain.

By the time ninety minutes were up, Jasmine resembled a recently dipped sheep. I was covered head-to-foot in mud and had been booked for dissent after the opposition's left-back had raced across the pitch to belt me in the chops during a ten-man brawl, which seemed to consist of nine of their players and me.

In the bar afterwards, Jasmine had managed to dry off a little and we sat chatting. I downed a series of brandies to get the feeling back in my frozen extremities. Even the sensation of a burning hot shower on numbed pink skin had failed to arouse my knob, it had completely retracted into my abdomen. Nevertheless, things were going well. I apologised to Jasmine for a lot of things which were not my fault. This forced her to say 'don't worry – it's not your fault' so many times she might just have forgotten it was my idea for her to come along in the first place.

I then aimed to get sympathy for the rising bruise beneath my left eye where the left-back had deposited his fist. "I'm feeling a little giddy... but I'll be okay." It was all moving along well when who should walk into the bar but the referee. This moron, this turtle-faced twat, had booked me for protesting about receiving a smack in the gob – I couldn't let him get away with it. Of course, I also thought it was about time that Jasmine saw me flexing my muscles. I boldly strolled over to the ref and asked him what the fuck he thought he was doing out on the pitch. Except I didn't really put it like that. Some of my team-mates tried to intervene by dragging me away, but I was having none of it. Brushing them aside, I let the ref know what I thought of him, his doubtable parentage and his mother's fondness for sex with paying strangers. So he showed me the red card.

"Whaddya mean, we're not on the pitch now!" I said. "We're in the bar." He explained that he was perfectly entitled to book a player for verbal abuse *after* the match had finished. I realised he was being sincere. Waves of panic descended... I was going to miss the Cup Final. I forgot all about Jasmine and started sobbing. The E's revenge. I sank to my knees, pleading with the referee to forget what I had said, but it was to no avail.

I lay motionless on the floor for what seemed like days. I suddenly remembered Jasmine, s-e-x! Missing the Cup Final would be bad, but s-e-x could make up for it all. I ran back to our table, except it was no longer our table. It was my table.

"She mumbled something about small-time loser and got a lift into town with the ref," said our centre-half Mick.

I sat alone at the table, bruised, single and withdrawn. The manager wandered over and offered his condolences, and in his usual post-match way said "poppers?" I can't remember much after that. ♣

GONE TO THE DOGS

Lead-filled greyhounds, coked up footballers and rude Aussie bastards – yes, it's got to be another probing look at the world of sport with **Maurice Short**...

Greyhound racing was once the sport of kings. The Isle of Dogs got its name because Henry VIII used to exercise his pack down there (anyone attempting the same thing nowadays would probably find their pooch would be run over by a yuppie Porsche or mauled by one of the local residents' bull terriers). Whilst you're unlikely to find yourself rubbing shoulders with Fergie or the Duke of Kent at Hackney Stadium these days, thanks to Blur's *Parklife* and the success of the book *Going To The Dogs* the racing of greyhounds is undergoing a resurgence in popularity.

Undoubtedly the finest place to watch the dogs is, ironically, Catford Stadium – a venue so steeped in Cockneydom you wouldn't be surprised to find it running a jellied eel stall down Jamaica Road during the daytime. As you might expect the crowd are somewhat different from those encountered at the Royal Opera House. In fact they're so rough you could sand all the floors in Islington with them and still have enough abrasion left to strip a few banisters. The result of this, aside from the ever present danger that the man next to you will at some point tell you that he knew The Krays "and they were all right", is that the air is filled with wit so sharp it is a hazard to passing airships. Once, when the traps had failed to open and the dogs had buffeted the cage five yards down the track while the officials struggled to release them, a bloke behind me yelled at the stewards, "Don't let them out. My one's winning."

On another occasion I heard a couple of men talking. The younger of the two, who was so fat his shellsuit must have been made out of old barrage balloons, asked "How's your dog doing these days?"

The older man shook his head. "Died didn't he," he said in an accent so thick it made Arthur Mullard sound like Brian Sewell.

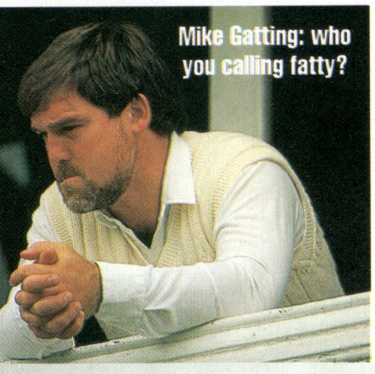
"How come?"

"Well, a geezer told me it helped them corner if you put some lead in their left ear, see? Makes them lean into the bend. So I did. And it just keeled over."

The fat boy looked puzzled. "How'd you get the lead in its ear in the first place then?" he asked.

"Oh, the usual way," the old man replied, "with a revolver."

If you are inspired to go to the dogs take a tip from an old hand: always bet on the little, fluffy white one. He might not look like much, but he's always the first across the finishing line.



Mike Gatting: who you calling fatty?

A PERSONAL HISTORY OF GREYHOUND RACING

● The reaction to the revelations about Paul Merson were predictable in the extreme (hands up who sang *The Hokey Cokey* at Highbury and thought they were being original?): the FA whined on ineffectually, while the tabloids talked of Merson's 'private hell' (if drinking and snorting coke all night is hell, heaven must be fucking unbelievable).

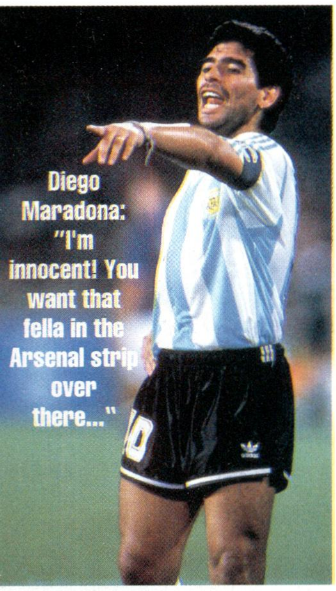
One of the strangest things about the whole business is that it seems Merson only took the drug so that he could drink more lager. Which is a bit like making yourself throw up with caviar so that you can eat more chips. Anyway it was good to see the gentlemen of the British press being so understanding. Mind you, they always are when a young footballer is tempted into vice. Remember how sympathetic they were to Diego Maradona?

It seems, though, that Paul Merson isn't the first footballer to have trouble with white lines. A friend reports seeing an incident many years ago, in the days when the markings on the pitch were made using white-dyed sawdust. A winger going at full tilt was tripped on the touchline and went shooting, flat on his face, along it, with the wood chips and dust flying up all around him.

"Fucking hell," yelled a spectator. "His head's exploded!"

Paul Merson: 'You put your left leg in, your left leg out...'

● Australians, as we all know, are a restrained bunch of men with a natural sense of dignity and a keen appreciation of the aesthetics (as anyone who's read Rodney Marsh's book on Meissen figurines will know). How else could they have come up with the entertainment in a test match a few years ago that involved "the frisbee catching wonder whippet"? And who but an Australian spectator could have greeted the appearance of a grey-bearded Mike Gatting with the observation, "What happened, fatty, did you blow all your pension money at the pie stall?" Or would wittily christen one of their own captains of recent vintage 'The Kipper', because he was spineless, gutless and two-faced? Or nickname Matthew Hayden 'Jurassic' because of his large forehead and small body? Now it seems they are applying all their style, wit and energy to the task of making the game more exciting. To encourage audience participation they have given all their state sides a colourful nickname. Australians can now chant for the Queensland Bulls, queue up for souvenirs at the New South Wales Bluesmobile and rattle their tinnies at the arrival of the Western Australia Warriors. Next up the genius behind this scheme set to naming the Australian Second XI who were due to turn out in a triangular one day competition with England and Zimbabwe. Should they bring the Australian Kangas? The Aussie Kookaburras? In the end they settled on the exciting yet chic Australian A. A clear case of less meaning more, I think. If only they could turn out in black polo necks and Raybans to complete the image.



Diego Maradona: "I'm innocent! You want that fella in the Arsenal strip over there..."

Surely it's high time the same strategy was applied to the English County scene? More people would turn up if they thought they were going to get a glimpse of the Glamorgan Leeks, the Yorkshire Puddings and the Worcester Oooh, Saucies...

Of course, some will say all this tampering is turning the game into a circus, but I'm sure if that were really the case England would now be running out onto the field to the accompaniment of Judy Collins singing *Send In The Clowns*. ♣

Sarah-Jane is a party animal and there's no sign of her slowing down. "You can find me out dancing every weekend," she laughs. "Blokes just can't keep their eyes off me as I wiggle my bum from side-to-side and stick my boobs right out!"

With her long blonde hair, estuary accent and a taste

me in the face and it was all I could do not to jump up and bury my face between her thighs.

I watched amazed as she slowly pushed two fingers inside herself and then began to thrust them rapidly in and out. My cock was throbbing so much now that I had to release it from my jeans. Unbuttoning my flies, I pulled my cock out and began running my hand up and down my swollen shaft.

I could see that Marcie was gasping hard and shaking on the verge of orgasm. I couldn't stand it a moment longer, and I'm sure that Marcie sensed my frustration. "Okay, you've been a very well behaved boy," she laughed. "So now I'm going to fuck your brains out!"

She gently pulled her fingers from her cunt and brought them to my lips. Her fingers were sticky and tasted so sweet and I was practically bursting to fuck her. She sat astride me, lowering her pussy onto my cock. As I started pumping hard, her big tits slammed against me and I wrapped my lips around her nipples and starting sucking.

Marcie's gentle whimpers became screams as she orgasmed, her nails digging into my back and her pussy clenching my cock. It was an incredible sensation and I pumped furiously, determined to give her the best orgasm she'd ever had. She reached down at that point and started rubbing my balls, setting me off on my own orgasm.

We clung to each other as a massive orgasm ripped through us. Just at the point of no return, Marcie clambered off and grabbed my twitching knob and directed an arc of spunk all over her tits. She squealed in delight as she rubbed my warm, sticky seed into her titty flesh and then licked her fingers clean. What a woman! She positively loved the taste of my spunk, and even insisted on licking my cock so she didn't miss a single drop!

We fucked in as many positions as we could think of that night, with Marcie eager to taste my spunk as much as she possibly could. She really is an unbelievably horny girl – and I've got Club to thank for bringing us together in the first place!

LEZZIE THRILLS

My name is Jenny, I'm 22 years old and I can hardly believe what happened to me last week at the sports centre where I work. I have to say it was one of the most exhilarating, erotic and exciting encounters I've ever had – and I reckon your readers will relish hearing all the naughty details...

I like to keep my 34-23-34 figure in shape, so I work out at the sports centre every morning before I start my shift. I usually leave my flat at around 6.30am, cycle into town and spend an hour doing aerobics or a few lengths of the swimming pool. However, on my way in last Friday morning I was knocked off my bike and ended up in a hedgerow. Although I wasn't hurt, I was badly shaken and decided to skip my exercises and take a long, hot shower instead.

It felt very relaxing and as I soaped up my skin, gently stroking and caressing my warm flesh, I felt a hot tingle between my thighs and I reached down and started to fiddle with my clit. My eyes were shut tightly as I pushed a slim finger in and out of my pussy and I could feel my knees weakening as I came close to coming.

I was biting down hard on my lip, trying not to make a noise and let the waves of orgasm flood over me. Then as I opened my eyes I saw Sally, the centre's physio, standing at the entrance to the shower watching my every move. She looked very flushed, and I swear I could make out her nipples poking through the thin material of her leotard. "I'm sorry if I disturbed you," she said, "I thought I'd just check to see if you were feeling all right." I blushed bright red,

Mates Flavoured Playmates

A bit too constricting around the shaft, leading to feelings of anxiety, loss of blood flow, possible penile collapse and a blinding fucking headache. The end of my knob may have looked like an over-ripe plum, but this cut no ice on request for a blow-job. I was eventually told that the cherry flavour tasted about as appetising as a Michelin Radial 4x4 (i.e. not very tasty at all). Practical enough, but looks very silly.

Blow job (sample comment from my lady friend): "Oh wow! I never knew they made them in cheese flavour too..."

Sensitivity: 6/10.

Protection factor: 8/10. Propensity to slip off and a bit tight, maybe that's because my knob is so.. oh, what's the point in lying? A bit tight anyway.

Price: £1.44 for three.

Overall: 6/10. Okay, not very comfy and the flavouring is just a joke.

Durex Elite

Not quite sure why these are 'elite'. They were the most expensive condoms and felt pretty comfortable. These are not flavoured, not coloured, just kind of condomy. As with just about all the condoms, they contained spermicide – so the chances of getting a blow job go right out of the window. Still not quite sure why these are seen as a cut above everything else, seems a bit like swimming in the hotel pool when the Mediterranean is ten yards away.

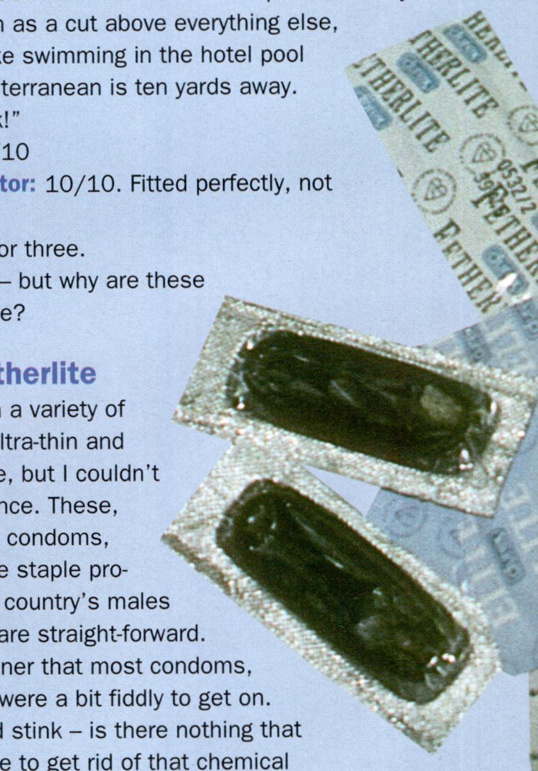
Blow job: "Yuk!"

Sensitivity: 6/10

Protection factor: 10/10. Fitted perfectly, not too tight.

Price: £1.79 for three.

Overall: 8/10 – but why are these more expensive?



Durex Featherlite

These come in a variety of weights, like ultra-thin and super-sensitive, but I couldn't tell the difference. These, like the Mates condoms, seem to be the staple protection for the country's males because they are straight-forward. These are thinner that most condoms, although they were a bit fiddly to get on. Again, they did stink – is there nothing that can be done to get rid of that chemical taste? As comfortable as wearing a luxurious Armani 9oz suit.

Blow job: "It's that cheese flavour again!"

Sensitivity: 8/10, very good.

Protection factor: 10/10.

Price: £1.49 for three.

Overall: 8/10, the people's condom.

Blow job: "I could use one of this to carry my shopping home."

Five contraceptive sheaths for the well endowed male. Condom is dry so you may need to use in conjunction with a lubricant.

Durex Assure

Assure are condoms for ladies. They come in various sizes and are packaged in these little pastel-coloured boxes. Obviously they are designed not to look like their Featherlite or Gossamer cousins, so that women can carry them around without being criticised. They seem to be exact replicas of the Featherlite brand, except they come in different packaging and are much cheaper. Seems a bit silly. My lady friend did approve of them, but personally I'm not going to give any marks because it's just a crappy marketing exercise.

Price: £2.79 for six.

Overall: 1/10.

Black Fantasy

If you don't mind your knob looking like a black pudding, then these are ideal. They felt too tight, but then after the Big Boy even a bin liner would pinch around the sides. More novelty value, I guess you pretend to play at Mr Policeman – with your cock as the truncheon.

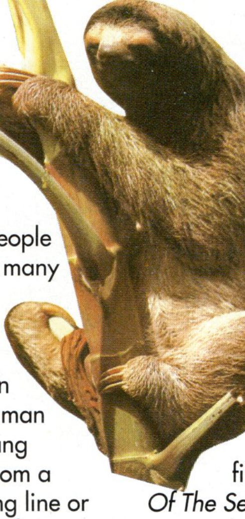
ALL NEW SEXUAL POSITIONS GUIDE

Bored with the missionary position, fed up doing it doggy or simply want to add some spice to your sex life? Well, help is at hand with Dr Ruthless and her invaluable guide to exciting new sexual positions...

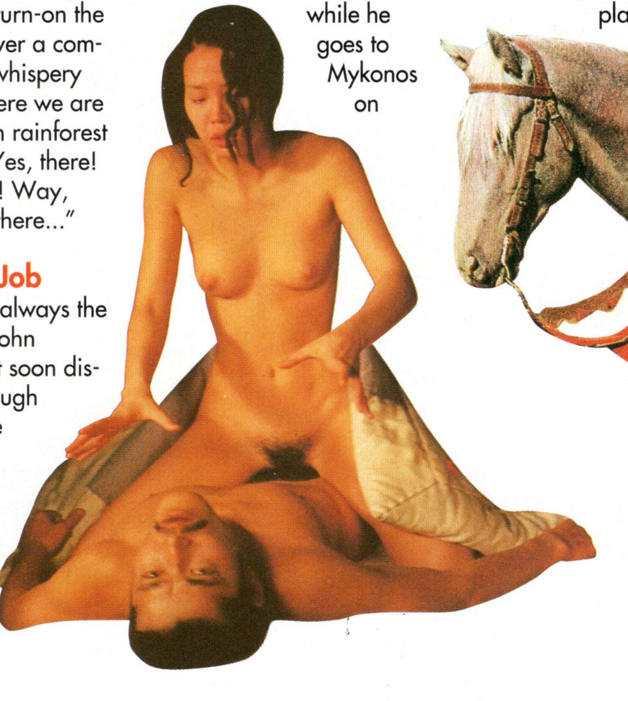


Three-Toed Sloth Style.

A variation on doggy-style popular with people who watch too many wildlife documentaries about rare South American mammals. The man and woman hang upside down from a branch, washing line or fluorescent light fitting. The man enters from behind and thrusts very, very slowly indeed. So slowly in fact that at some point both partners go to sleep, lose their grip and land on the ground with a bump. At which point the woman wakes up, looks all bright eyed and says: "Wow! That was amazing. I felt like I was just falling and falling..." As an added turn-on the man may deliver a commentary in a whispery voice: "And here we are in the Amazon rainforest and I think... Yes, there! Right up there! Way, way, way up there..."

The Bobbit Job

The first cut is always the deepest – as John Wayne Bobbit soon discovered, although judging by the success of his resulting porn film and millionaire status some of you may be tempted to get your todger chopped off too. This manoeuvre can also be seen to eye-watering effect in the cult Japanese film, *In The Realm Of The Senses*. Only recommended for the seriously kinky amongst you. Ouch.



The Lawnmover

Exactly the same as the wheelbarrow position except that as foreplay the man loans the woman to a neighbour who keeps her for over a month because he says it's too wet to make a start, then locks her in his garage for a fortnight while he goes to Mykonos on holiday. Then when he does return her he hasn't even cleaned her box properly and anyway in the meantime you've picked up another one at a car boot sale.

The N69

A combination of cunnilingus and fellatio performed on the night bus to Neasden (hence its nickname The Neasden trembler). Readers outside London wishing to experience the unbridled joys of N69 can simulate the conditions by lying down on a polyester/nylon tartan carpet, filling the entire room with greasy chips and kebabs and getting a drunken neighbour to lean in through the window and yell: "Yer fucking bastards fucking fuck yer yer fuckers" and then throw up all over the place.

The 99

Like the 69 only with a flake in it.

The Bung

Popular with people connected with football. The man meets the woman at a motorway service station. They sit opposite one another at a table and pretend to be complete strangers. When he think nobody is looking he gives it to her under the table in a brown paper bag. As an extra turn-on the woman may talk to the man, telling him how many times in the past she was handed a big wad and let forwards slip it between her legs without even trying to stop them.

Politician Style

The woman lies on her back on the desk with her legs apart. After the man has entered her she raises her legs and puts her toes into his mouth. She controls the speed of his thrusts by holding his buttocks tightly. The man stands. His wife stands by him.

The Robin Hood

Also known as the tree-trembler. Common amongst country folk, green activists and members of the aristocracy. Basically it's just sex standing up against a tree, but there are a number of variations according to what species of tree you do it against: fir-king, oaky-pokey, hickory-dickery and bashing the ash are the most popular. There's also a kinky version involving the beech-queen and Mr Birch.

The Daz Challenge

The man sits on the washing machine, the woman sits in his lap facing him. Using her toes she programmes the washing machine through a full cycle. Erotic fun begins with the subtle vibrations of the pre-wash, enters a phase of prolonged delicious tension during the pause/heat mode, achieves a satisfying throbbing rhythm during 40C white cottons (remember to wash all colours separately) main session and reaches a foaming climax during the heaving spin cycle. *Warning: coitus interuptus may be caused by an irritating cockney git called Danny Baker knocking on the door and offering to give you a real big one for your little one.*

THE BASTARD'S GUIDE TO

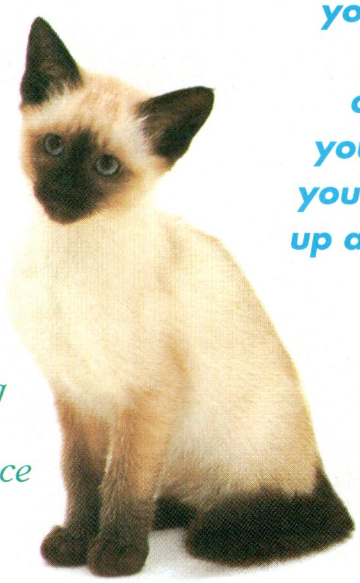
Most men assume that getting off with a woman is all about having a smooth seduction technique – this is simply not true. Of course, you could ply the object of your affections with vast quantities of alcohol until she's so pissed that she ends up wrestling you to the floor in a half-nelson and tearing off your clothes. However this method has a downside as any nuptials risk being followed by floods of tears and/or projectile vomit.

No, any decent sleaze merchant will tell you that the real trick for getting a girl into bed is to make yourself appear so defenceless and vulnerable that it's the woman who seduces you! Here's a few tried and tested methods of getting the girl of your dreams to succumb to your charms...

Club's sexy therapist and agony uncle, Dr Gavin Hills, divulges the secrets you'll need to learn in order to get the girl of your dreams between the sheets on Valentine's Day...

JOKES

What's the one thing that woman are always saying they look for in a man? A sense of humour. A corking selection of witty jokes and side-splitting anecdotes will set most girls at their ease. After a few well-timed crackers she should feel happy enough to snuggle up to you. Deliver a killer punch line and, with any luck, it'll be smiles all night. *Top tip: Avoid jokes about PMT.*



PUSSY GALORE

Girls love kittens. In fact, girls love men who keep kittens. If you've got a cute little cat, girls will be queuing up to see the little sod. Get enough girls back to your place and the law of averages dictates that at least one will attempt to seduce you.

Top tip: Once the kitten gets too big, it's advisable to get rid of the thing and buy a new cute and cuddly one.

TICKLER

Make it known that you're incredibly ticklish. Never fails, the women just can't keep their hands off you and before you can say "mine's a large one" her mitts will be caressing more than just your beet gut.

Top tip: Don't let her tickle you after you've sunk ten pints, chances are you'll either piss yourself or throw up all over her.

ASKING ADVICE

Most girls love mothering blokes now and again, and an ideal way of getting the girl you fancy into the sack is to ask her advice on an intimate matter. This should always be done over the phone – girls have an uncanny ability to see when a bloke's lying almost immediately. Remember to go heavy on the melancholy and try to make it sound as if you're crying your eyes out.

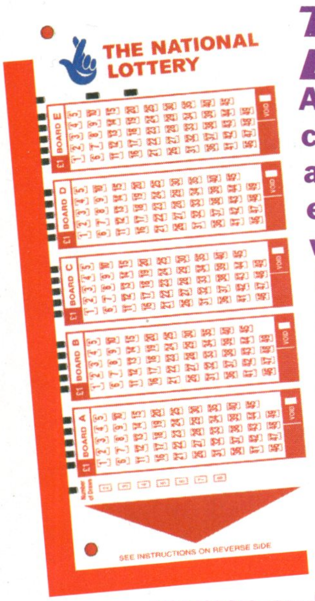
Top tip: If you have difficulty shedding a tear, think of something incredibly traumatic from your past. Like when you heard Cindy Crawford was getting married. Boo-hoo...

LOVE

VIDEO NASTY

Invite the girl around to your place, and get the vids on! Anything from *Hellraiser* to *Bambi*, just make sure that when you have the opportunity either jump up scared or start crying your eyes out. Head for refuge straight into the arms of the girl of your dreams and within minutes she'll be rubbing you better all over!

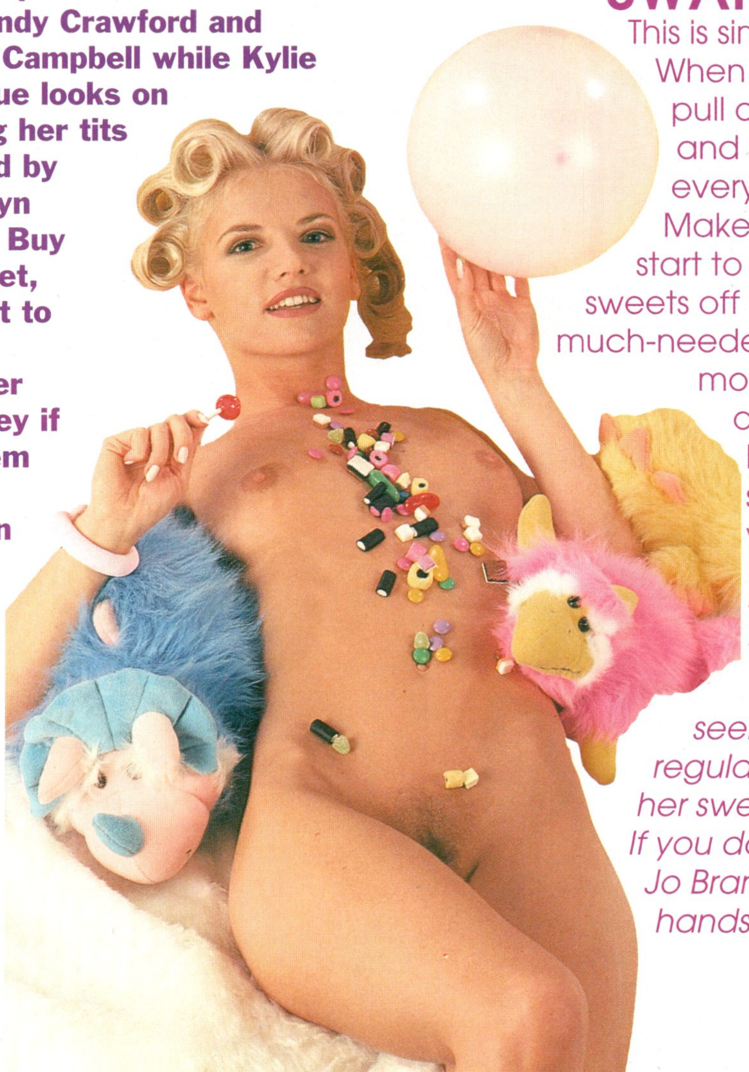
Top tip: Make sure you don't get anything too saucy on the video front, Horny Nuns On Heat *will probably only get you a slap in the face.*



THE LOTTERY *LEG-OVER*

At 14,000,000-1, the chances of winning the lottery are about the same as you ending up naked in a hot-tub with Cindy Crawford and Naomi Campbell while Kylie Minogue looks on getting her tits sucked by Sherilyn Fenn. Buy a ticket, give it to your woman and tell her she can keep the money if she wins. This will seem like an incredibly generous act and, even though you won't win, you're seen as a warm-hearted, caring individual. Soon you'll be in the sack – and all for a quid!

Top tip: If she does win, make sure you get the ticket back off her at all costs.



SWAPPING SWEETS

This is simple, but effective. When you're in company, pull out a bag of sweets and offer them to everybody except her. Make a joke out of it, she'll start to try and grab the sweets off you and initiate some much-needed foreplay. The killer move is to then offer her one – but put it between your teeth. If she likes you, before you know it she'll have her tongue down your throat and her hand in your shreddies.

Top tip: If you start seeing this woman on a regular basis, stop feeding her sweets as soon as possible. If you don't you'll soon have a Jo Brand lookalike on your hands. ♣

chrissy

When we last met 18-year-old Chrissy she was sharing the secrets of her snogging sofa. Now she reckons you're ready to go one stage further and invites you into her bedroom. "I know what you're thinking – it's only a single bed. Well, I prefer it that way," she insists. "That way, after sex you have to

cuddle all night. We'd have to squash up, your head between my boobs and your cock nudging my pussy. We are so close we can't resist kissing each other, and then my hands gently guide you into me for another go! In a single bed, there's no rolling over and going to sleep – so be prepared for no shut-eye and a lot of steamy action!" ♣

WOMEN'S WRITES

Where the girls get down to business

BUM DEAL

I've just read in a leading style magazine that bums are back in fashion. Well, as far as I'm concerned my bum has always been in vogue – and it would seem that most of my lovers agree with me! When it comes to sex I always end up in the doggy position, my bum pointing high in the air as a man's rigid tool slides inside me. I love the smooth sensation of a man's shaft pounding all the way in to the hilt so that I can feel his thighs slapping against the cheeks of my bum. It's the sexiest feeling in the world!

I have to admit that it was my backside that first got me noticed by Jeff (the man who is currently taking me from behind!). I met him about six months ago, when as I was walking downstairs to get off the bus to work, I felt a hand brush against my bum. I turned around and the guy who was standing innocently behind me was drop-dead gorgeous. He looked as though butter wouldn't melt in his mouth, but I could already see that his dick was twitching in his jeans – and I have to confess that I wouldn't have minded getting a closer look!

I said nothing to him, but once we had both got off the bus I started off down the street making sure that I was wiggling my bum a little more than usual. I glanced over my shoulder and noticed that he was following and checking me out. As I turned the corner I stopped suddenly, and he almost ran right into me in his haste not to lose me!

"Looking for something, are we?" I asked him.

He wasn't at all embarrassed, and just broke into a smile. "Yeah, your bum on my face, darlin'," he replied.

I was so surprised by his reply that I just burst into a fit of the giggles. "Here's my phone number," he said, passing me a business card. "I'll be in the office till six, then I'm at home all night. Why not call me?" He walked away, then turned around and winked.

I could hardly believe somebody could be that forward, and I was tempted to give him a call just as soon as I got into the office. As it happens, I didn't pluck up the courage until I got home that evening. Reclining in a comfy chair with a glass of wine in my hand, I slowly dialled his number and felt a frission of excitement as I recognised his voice on the other end of the phone.

"I had a good feeling you'd call," he laughed. "I hope you don't think I was being too bold today. It's not every day that I see a beautiful woman like you."

We ended up talking for ages, and when Jeff invited me over to his place the following evening for a meal, I told him to expect me there at around 7 o'clock.

I was nervous all through the next day, but excited at the prospect of what was to come. I'd taken the day off work and spent hours getting myself ready and by the time it came to call a taxi, I was shaking with excitement.

Jeff greeted me at the door and invited me in, though I was surprised to see women's clothes dotted around the place. It was obvious that he lived with another woman, but we soon forgot all about that! Jeff was all over me in seconds, his hands loosening my dress and easing it down to the floor. This man was a fast mover, though I wasn't attempting to resist. Bending me over the sofa, he pushed my knickers to one side and thrust his cock inside me. His hands caressed the soft cheeks of my arse as he built up a steady rhythm, while I buried my face in the sofa and started wailing with pleasure.

Jeff was bucking wildly now, rotating his hips and filling me with his length, when I heard the bedroom door open. I turned around and, to my horror, another girl walked into the living room. I was so embarrassed that I just froze to the spot. She was wearing nothing but a bra and a pair of white panties, and she walked towards us. As she got nearer, she stooped slightly. "She's got a nice bum,

He pushed my knickers to one side and thrust his cock inside me

Jeff..." she drawled sexily, ruffling my hair as she sat down on the sofa beside us. I couldn't believe what was happening, and I didn't know whether to be flattered or to gather up my clothes and rush out of the flat.

Without saying another word, the girl then slipped off her knickers and began teasing her shaven pussy, just inches from my face. It was a bizarre situation, but there was no doubting the air of electricity in the room. "Don't mind me," she said.

Jeff took this as his cue to start slowly pumping his cock inside me again, speeding up the pace as I started to feel myself coming. My moans filled the room, then the girl put her hand around the back of my head and brought my mouth towards her open pussy. "Lick my cunt," she pleaded.

My tongue started to jockey for position with her fingers, which by now were working hard at her hole, slipping in and out and rubbing her clitoris. My tongue tasted her pussy juices just as I started to shudder under the impact of my own orgasm. "Lick me harder!" she yelled. I pushed my tongue inside her and she started moaning loudly. Jeff increased the pace too and then jerked his hips, filling me with his load. It was like a chain reaction – the three of us came at the same time and the room was filled with loud moans. You could practically smell the sex in the room! This was my introduction to Jeff and Alice...

I pushed my tongue deep inside her

I've never met two such uninhibited, liberated people in all my life. It turns out that the whole thing had been set up by Alice. She'd spotted me on the bus before, and had persuaded Jeff to try and chat me up – and it worked perfectly! The three of us spend a great deal of time together these days, and we've experimented with all kinds of sexual games and escapades!

We've even filmed some of our romps in the last six months, and although Alice looks the sweet, innocent type she's anything but that! Alice and Jeff are even planning a break for the three of us in Spain at Easter where they have their own villa – and they're planning some extra naughty games in front of the camera too! Just as soon as we've wrapped up the filming, I'll write in to Club and let all your readers know how things went. If you're lucky, I may even send in a copy of the video too... – *Esme, London*

STABLE RELATIONSHIP

If my father knew that I had posed for these pictures in his study, I reckon I could well be in the dock! After all, he is one of the most respected judges in the country – though I don't think his colleagues in court will be complaining if they see these pictures in Club!

He would be even more aghast if he knew that his chauffeur, Ian, had taken the pictures, but then that is just part of the thrill for me!

I've been shagging Ian for the best part of a year now – right under my father's nose! I've even shagged him in the back of the Rolls a couple of times, hitching my skirt up around my waist and letting him piston his cock in and out of my wet hole!

Although we shag each other regularly, we're both free to see anybody else that we fancy and I even made it my duty to fuck Piers, the son of one of my father's colleagues.

He's a good-looking boy, but was rather gauche around women, even though at twenty he is two years older than I am! The first time I got to grips with him was at a formal dinner party at his father's place. I managed to entice him into the kitchen, where I ended up pulling his trousers down and sucking him off right there and then! I don't he'd experienced anything quite like it before, although I took his loud grunts as he spunked down my throat to be a sign of his satisfaction! Piers and I then made a hasty exit to the stables where we continued our fun...

The stables are a good ten minutes walk from the house, so there was never any danger of us being disturbed there. Once we got inside, Piers lit a lamp while I lay down on a pile of hay.

"Why don't you come over here?" I giggled. "I've got something to show you..." Piers moved towards me.

"Now get down on your knees," I continued, pulling my skintight leggings down to my ankles, "and no peeking!" I never wear any knickers (I don't like to have a visible pantie line!), and I revealed a pussy that I had spent most of the afternoon trimming. I was so excited about being fucked by Piers – who I was convinced was still a virgin – that my cunt was soaking wet. As he opened his eyes, I ran a finger around my hole and then spread my legs. "Eat my cunt," I breathed huskily.

Piers could barely control himself, and he quickly moved his mouth towards my pussy and started vigorously licking. He may not have been an expert, but what he lacked in practical terms he certainly made up for in enthusiasm. His tongue snaked inside my hole and I took his head and ground his face into my muff even harder. He must have worked at my pussy for about ten minutes; licking, tongueing and teasing until I finally came, coating his face in my sticky juices.

"Now I want to make you come," I gasped, unbelting his trousers and pulling out his cock. I wasn't disappointed with what he had either! His balls looked like they were holding gallons of come and his cock must have been about eight inches long. Without any prompting, Piers peeled his foreskin back and started wanking himself. It was fascinating to watch him tossing himself off in front of me, and as he contorted his face with pleasure I dropped to my knees ready to gulp down his load.

I love the feel of spunk squirting over my face and I wasn't to be disappointed. He grunted loudly and then a torrent of come poured out of his cock and splattered over my face and neck! Of course, after that display I taught Piers exactly how a magnificent cock like his should really be used and we spent the next hour fucking in the stables! We completely forget about the dinner party going on in the house, until a friend of Piers was dispatched to look for us. Enter Ian – quite literally...

I greedily wrapped my lips around his swollen helmet and started sucking hard

There we were, me draped over a bale of hay with my bum pointing in the air, as Piers serviced me from behind. "Well, don't just stand there," I yelped breathlessly to Ian. "Come here and fill my mouth!"

Ian didn't hesitate for a second, dropping his trousers and directing his cock between my lips. I greedily wrapped my mouth around his swollen helmet and started sucking hard. I could hardly believe what I was doing, but there was something deliciously wicked about being serviced by two studs like this!

It didn't take long before I felt Piers jerking frantically and then shooting an arc of spunk all over my back. I started working harder on Ian's cock too, and he came down my throat seconds afterwards. Their combined efforts gave me the most intense orgasm I've ever experienced, and our naughty frolics continued later on that evening.

We headed back to the party before we were missed, although the three of us left soon afterwards and went back to Ian's flat in town. I'd never had a threesome before that night, but I certainly made up for lost time! Ian and Piers took it in turns to fuck me for most of the night – and we were still at it the next day! The two of them were very eager to please me and we've made another date for next weekend!

I have no intention of giving up my chauffeur either, in fact I may just bring him along for some extra spice! I've never been this sexually liberated before in my life – and I certainly intend to make the most of it! – *Polly, Oxford*

ON THE JOB

In and out of the office

SEX-ERCISE!

I have to admit that I came across Club by accident. I was actually housesitting for a male friend of mine and was having a nose through his things when I came across an old issue of the magazine. I have to say that I loved reading the stories sent in by women who just couldn't wait to confess what they'd been up to between the sheets! I must have spent hours reading those stories over and over, until the urge to play with my pussy until I'd made myself come almost overcame me. Ever since then I've been waiting for the chance to have something to write to your magazine about, and now my chance has come...

The thing is that I've never been averse to experimenting when it comes to sex. I'll fuck men or women (or both at the same time), and I've always thought that so long as everyone is getting turned on, then anything goes. And I have to admit that I am just a little on the kinky side too. My friend Sherry is just the same, and we've done a lot of experimenting with each other and other partners. My favourite thing is to watch Sherry getting fucked by another guy or girl, holding back until the last moment before I join in on the fun, and she loves to see me getting doggy-fucked by two well-hung guys, one after the other. But I did think we might be the only girls who were into that kinky stuff.

Sherry and I are both very much into our bodies. We're both 23 and what you might call voluptuous: Sherry has legs up to her neck and her 38-24-36 figure is a real eye-popper. I'm slightly shorter but none the less curvy, so we've never had any shortage of male attention. But when we recently joined an exercise class at our local leisure centre, it proved to be a real revelation.

Although I say it myself, we were easily the best looking girls in the aerobics class, and we made sure that we stood out a mile in front of the hunky instructor – after all, that's why we'd chosen this class in the first place. Dale is legendary in our town as a real ladies' man who knows exactly what to do with his equipment! Sherry has had her eye on him for months and we'd kept going to the classes; we'd thought with both of us on the case, we'd have no problems getting him where we wanted him. But all he did was just a little flirting and that was it. We finally decided some drastic measures would have to be taken. Instead of the usual tracksuit trousers and scruffy T-shirts, a change of outfit was definitely on the agenda.

Sherry's nipples were so hard that she just had to play with them

You should have seen his eyes popping out when we next went to his class! We were both poured into skin-tight body-suits which left nothing to the imagination. Sherry's was white and she was naked underneath it, so that as soon as we started to work up a bit of a sweat in class it went totally see-through – giving Dale a full frontal view of her hardening nipples and musky pussy as we moved in time to the music. I, meanwhile, was in one of those catsuits with a leotard over the top, cut almost indecently low at the front so that my full boobs were almost falling out of it as I moved. The thong piece accentuated the firm shape of my bum cheeks, so that if I bent over Dale would be getting a real eyeful!

As the end of the class came and the work-out reached its climax, I couldn't help but notice that Dale could hardly take his eyes off Sherry. She was perspiring so much that her skin was shining and glowing, and I knew I couldn't be the only person in the room who could smell those pussy juices in their nostrils! And as for the way she was thrusting her tits in his direction, well, it was positively indecent!

I looked across at Dale – and there was no way he could disguise the growing hard-on that was clearly visible under his shorts. The bulge was expanding by the minute: I could almost see the ridges on the shaft as Dale moved in time to the beat. I winked at Sherry and knew then that our plans would finally work.

This class was the last one of the evening, and so we waited until most of the others had showered and gone before we made our way to the male changing rooms. Dale would be the only man in there, we were certain – and if there happened to be anyone else straying in there then he could just join in the fun!

The small changing room was very hot and rather steamy as we sneaked in, and we could hear the sound of the shower running. It took only seconds for both of us to strip off our gear, and when we got into the shower with Dale, the look on his face was priceless – especially as he'd been wanking himself at the time!

"It looks like Dale knew we were coming!" I grinned at Sherry as he just blinked at us and stared. There was no way we were going to show him any mercy, especially not with his cock already so stiff and ready for us! We quickly got to work on him. Sherry knelt down and took his cock right into her mouth, her lips stretching around the fat ridged shaft. It was very horny to

see her starting to gobble up all that cock-meat, lashing her tongue around the swelling helmet as Dale backed up against the tiles. Sherry's nipples were so hard that she just had to play with them as she sucked him off, her forefingers and thumbs rolling the stiff teats around and her hips circling as her cunt began to tingle.

I was feeling pretty randy myself by this time, and so I moved to stand next to Dale, then moved him forward so that I could stand behind him, pressing my tits up against his back. The bloke really was built like a Chippendale, and as for the size of that cock! There was no way I was letting him leave tonight before he'd stuffed it inside my pussy and given me a really thorough seeing-to with it. I started to soap his body as Sherry carried on sucking him off, her fingers now moving up to stroke his balls and the base of his shaft as her mouth worked hard. His cock was so thick that she was really having to stretch her mouth to be able to swallow him. I was getting pretty hot between the legs thinking of how good that big cock was going to feel in my cunt.

Dale's hips were moving forward of their own accord as Sherry sucked him off, and I could hear that he was growling in his throat as she worked her mouth even faster as his balls tightened with the pressure of all that come. It was only fair that I should encourage him as I soaped that sensational body and played my fingers over his nipples.

“Go on, you know Sherry can't wait to taste your come,” I whispered in his ear, licking the lobe of it and pressing my firm boobs right into his back. I knew that he could feel my soft pussy hairs against his bum cheeks too, so he was being attacked on both fronts. He must have wondered if he was going to get out alive!

“Now let her have all that come,” I told him. I could see that Sherry was frigging herself to orgasm and that she'd go right over the edge as soon as Dale shot his hot load into her mouth. I could actually see her cheeks bulge as the first jets of come shot out and filled her mouth. There was no stopping her then; she carried on sucking hard and fast, swallowing every drop of come and milking Dale's balls until they were empty.

But we didn't allow him to rest. My cunt was so hot and wet by now that I just had to have that cock inside me. Sherry and I turned the shower jets full on, so that hot water was blasting all three of us as we worked our hands and mouths all over him. It was only because he was so fit that his knees didn't buckle as we gave him a good tongue bath: I barely noticed the taste of the soap bubbles in my mouth as I lashed at his pecs and then down his stomach to taste his cock.

Between us, we used our hands and mouths to make sure that Dale managed another hard-on within moments. What a magnificent sight that thick cock was bobbing up and down as we covered him in soapy bubbles – and there was no way he could escape from us even if he wanted to.

Once Dale was stiff again, I couldn't wait a minute longer. I knelt down on the floor of the shower, the wet tiles slippery and hard against my hands but I didn't

She sucked hard, swallowing every drop of come and milking his balls

care. I raised my bum towards him and Sherry parted my cunt lips with her fingers. My swollen pink hole gaped at Dale as I braced myself to be filled by that monster cock.

He knelt down and eased the very end inside me, just teasing my cunt muscles until I got impatient and pushed my hips back so that his length was half inside me. It felt unbelievably hard and hot as I just moved my hips further, dragging his cock in inch by inch. I honestly didn't think I could take the whole length, but eventually I felt his hairy bush brush against my bum, and I knew I'd taken the lot!

"Fuck me hard, I need it," I panted, and Dale started to pump in and out of me like a steam engine. None of that soft and subtle stuff here: he was just ramming his cock home time and time again, until my cunt ached and I started to come. My orgasm rippled right through me, and honestly, it felt as if my nipples were going to explode! A quick look over my shoulder told me that Sherry was occupying herself licking Dale's balls, which was just spurring him on all the more.

"Don't come yet," I told him as another climax almost shattered me. I just couldn't get enough of his cock: the thickness really did make a difference. I swear I could feel every inch as Dale rammed it in hard yet again.

I was completely saddle-sore, my hips aching from pumping up and down, when I felt Dale finally spurt his load up inside me. That hot wad hit the sides of my cunt hole hard, and after he'd come I felt him pull out his shaft and roll it around on my love lips and clit until I came for the fourth time.

I felt him pull out his thick cock and roll it around on my wet love lips

Then Dale had to watch as Sherry leapt between my legs and started licking all his come out of me. She must have really got the taste for it earlier, as she was lapping away at me for what seemed like hours. Eventually, I moved so that we were entangled in a 69, loving the feel of her soft thighs pressing against my face as I ate out her cunt.

I don't think Dale could quite believe what he was seeing. He couldn't quite manage another hard-on after we'd emptied his balls so thoroughly, but you can rest assured that Sherry made sure that the next time we had our aerobics class, her cunt was treating to a proper fucking, with her riding him on top and licking at my cunt at the same time.

No one in our exercise class knows what we three get up to after each session, but let's just say that both Sherry and I are very fit from our weekly double work-outs! – *Elaine, Bedford*

HORNY HOTEL

I've been working at a hotel here in Edinburgh for the last two years, and although there's a lot of hard work involved it does have its benefits – one of which is the use of the hotel's bridal suite! It's a stunning, sumptuous room with lots of lace netting draped everywhere and a big brass bed. You might assume that I would feel jealous knowing that young newlyweds will be putting it to full use, but then I've fucked at least half-a-dozen men in that very bed myself!

I bet you're wondering how I can get away with such horny behaviour in the hotel? Easy... my boyfriend, Paul, and I have an open relationship and I've been fucking the hotel manager for almost a year now. He's married, so he's not after commitment either – just a few hours of sex with me each week! He knows I see other blokes too (in fact, he finds it a real turn-on) and he doesn't mind lending me the keys to the bridal suite if I see a bloke I fancy. Take Dean, for example...

Dean works as a travelling salesman, and spends three or four nights a month in Edinburgh. I met him in the hotel bar one night – he had his face buried in paperwork though I reckon it should have been buried in my 34D tits! I discovered he was staying at the hotel for four nights, and I was determined to get closer to him.

On the second night of his stay, the bar was very quiet and I ended up chatting to Dean, making sure that he got a view of my stocking tops every time I crossed or uncrossed my legs. By the end of the evening we had polished off two bottles of wine and Dean had started to relax, commenting on how hot and stuffy it was in the bar.

"It's cooler upstairs," I told him. "Come with me." A girl called Anne was on reception, and she smiled wickedly as she handed me the key to the bridal suite. I led Dean into the lift, through the long corridors and into the bridal suite.

"This room is fully air-conditioned," I said. "But I bet we can soon warm it up..." I kicked the door shut and told Dean to make himself comfortable on the bed. I went to the mini-bar and fixed us a couple of drinks and then sashayed towards the bed. As I walked my skirt rode up my thighs to reveal my tiny, black g-string. Dean couldn't keep his eyes off me.

"Would you like to see my pussy?" I asked. Dean's jaw almost hit the floor, and he nodded excitedly. "But let me see your cock first and we've got a deal."

Dean was out of his jeans and shirt in seconds, his cock bobbing up and down and ready for action. I jumped up onto the bed beside him and then positioned myself on all fours, waggling my bum in front of him. Dean eased my g-string aside and then directed his cock towards my pussy, easing himself inside deliciously slowly.

When he was fully inside me, I pushed back and he started fucking me energetically. Within minutes I started to come, a really intense orgasm that felt incredible. I really let myself go, screaming loudly as he increased the pace. It was a fast, furious fuck and I was loving it. Suddenly, the phone rang. I couldn't believe it – nobody knew we were here, and I reached out and picked up the phone ready to admonish whoever was disturbing us.

'Has he got a big cock?' asked an excited voice on the other end of the line. I giggled, it was Anne! She knew what was going on.

"If you're so interested, why don't you come up here and find out for yourself?" I told her, putting down the phone. I kneeled down beside the bed and started sucking on Dean's cock. "Now, where were we?" I laughed.

I didn't expect to be disturbed again, but even I couldn't believe my eyes when Anne burst in through the door a few minutes later. "You told me to come up," she said. "And here I am!"

I tugged on Dean's dick with relish, winking at Anne at the same time. "Okay, I think we can share him," I said. She slammed the door shut and started undressing. She was wearing a matching set of black knickers and bra underneath her dress, although she peeled them off and jumped onto the bed beside Dean. I think he was shocked, but he coped admirably with the situation he found himself in!

I started sucking on Dean's cock again, while Anne lowered her pussy onto his mouth and he started lashing his tongue against her clitty.

Anne lowered her pussy onto his mouth and he started lashing his tongue against her clitty

Dean came first, his hot come spurting all the way down my throat as I tried not to lose a drop of his creamy spunk. I couldn't take it all though, and some of it dribbled out of the corner of my mouth. Despite having just been relieved of his load, Dean worked on Anne's cunt as enthusiastically as ever. While I savoured the last few drops of his spunk, I watched as his tongue darted in and out of Anne's pussy. I certainly knew when Anne was about to come too. Her whole body tensed, then flopped like rubber as she gave herself over to her orgasm and a scream escaped her lips.

Dean was a very good fuck, no doubt about that, but he was just one of many encounters I had in that suite. One of the most exciting was Beth and Joe. They came to stay at the hotel about six weeks ago and you wouldn't have believed what they were like from looking at them. They were both in their mid-20s, fit and smart, but possibly a little prim and proper. You know the type, the kind you couldn't imagine would do anything kinky at all. Which is why I was so surprised that they booked the bridal suite. I just thought it was a second honeymoon (without the sex, I assumed). How wrong I was...

I discovered they were a raunchy couple immediately, in fact on their very first night at the hotel. I had just finished my shift on reception and was checking that the pool and jacuzzi were empty. I unlocked the door, flicked the light switch on and there was Beth on all fours at the edge of the jacuzzi, with Joe working a huge dildo in and out of her

P.S. If you have any really special requests please mention them, we will do our utmost to be of assistance.
P.P.S. Try us - you'll soon learn to depend on us and remember my personal motto:
"Actions speak louder than words"

Video 1: Shelly - Featuring a 26 year old single mum, 5'3" tall, short blonde hair, big tits, nice pussy, name of Shelly. She answered an advertisement written on the wall of the ladies toilet cubicle in a railway station. The handwritten note offered accommodation in return for companionship and light duties. Shelly couldn't believe her luck, she rang the number and immediately went round, took the room but did not realise what was wanted from her side of the bargain (once a week sex with the landlord). In this video we watch as Shelly makes the ultimate sacrifice, she can hardly bring herself to do it but unless she f**ks him she's out. The landlord says "pull up your dress, drop your drawers and do it with me!" She sits on his crotch and he tries to manoeuvre himself up her, but she's too dry. He pulls her towards his mouth and licks her , using plenty of spit to get her wet. She tries again and he's in first time, they do it, she enjoys it and comes back for more- it goes on from there. **The Video's yours for only £18.95.**

Video 2: Claudia the Student Slapper - A shy reserved girl from a strict West Indian chapel background, Claudia throws off the shackles of her upbringing when she gets to University. Every time she goes out for a drink with the rest of her crowd - she's anybody's. Well, it wasn't long before her easy access through drink led her to our doorstep and the world of hard core videos.

That's why we had to give her a couple of stiff ones before we started making this one. Now, she was very willing and cooperative in every way but I've never seen a girl used like this before. She just laid there and let it happen. This certainly seemed to turn on the male model, who used her in every way, even her mouth and then let it splatter all over her pretty impassive black face. Do me a favour, once you've enjoyed seeing Claudia get bonked, let me know if you think she really enjoys nookie - I'd value your comments.

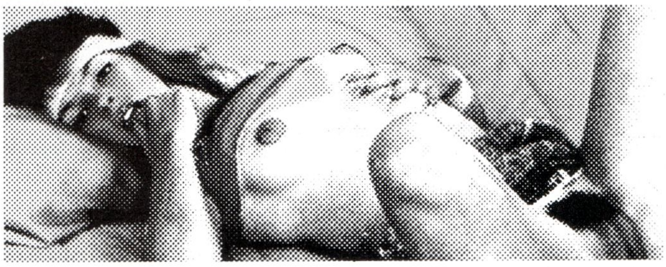
You can have Claudia on Video for only £18.95

Video 3: Shunta - If you're turned on by Pakistani women this is the video for you - real Asian sex. Shunta is married with four children (witness the stretch marks for yourself). It could be why she's able to take the really big guys without even wincing. For hard cash she will do whatever someone asks, especially when it comes to sex - that's how she gets her kicks. Yes, this Pakistani lady s**ks and f**ks allowing up to 3 men to make full use of her body and loving it. She insists on them wearing a condom, but you'll soon see them being whipped off along with her Sari and they spray all over her which she promptly rubs into her skin. On this video, you can witness Shunta being given a good seeing to by her 'new white men friends', listen to her pant and groan as she is serviced by three men at a time, one right inside her, one orally and one receiving manual relief. This is a must for all Pakistani women fanciers, more power to Shunta's elbow (and other parts). Shunta we love you...!

So can you when you get the Shunta Video for just £18.95.

Video 4: Maureen the Nurse - Yes, Maureen's a nurse, and we all know about Nurses. Like the rest of her profession, she is woefully underpaid and... you guessed it, she supplements her wages with bits of paid video nookie. She has a terrific pair of boobs and she made a great f**k video - if you're into nurses, you're in for a treat. Just seeing her move her body is a wonderful experience, never mind all the other things she does with it. She gives terrific head on 8" of Robin's meat and 4" of his girth. If you like seeing oversized members dipping into young women and their eager mouths, this is the video you've been looking for. Seeing this lovely, bubbly little nurse get it from a total stranger is such a turn on. She is done in every conceivable position and the Stud goes into a complete frenzy as he gropes for her every orifice. It's all true, Nurses like a bit of fun - and best of all, they're very clean! Judge for yourself, when you see this video.

Maureen the Nurse can be all yours on Video at just £18.95.



I don't know how I managed it, but we now have a deal which means that you can also buy these Videos from the following shops. You are welcome to call Mon.-Sat. 9.30 -6pm Fri. 8pm.

pussy! They were obviously unaware that staff members could gain access to the jacuzzi at that time of night, and they were so engrossed in their session that they didn't even notice me coming in. I stayed as quiet as I could and crouched down in a corner of the changing room, where I could watch them without being seen.

I was so turned on that I slipped my hand up under my skirt, and pushing my knickers to one side plunged two fingers deep into my pussy. Beth was getting nearer to a climax, when she looked towards me and screamed. I'd been rumbled.

"Don't worry," I said, moving into full view so that the couple could see me, my knickers down at my ankles and an embarrassed smile on my face. "I'm sorry if I disturbed you, but I was really enjoying watching you." Beth broke into a wide grin and beckoned me over.

She kissed me full on the lips, while Joe removed my knickers and started running his hand up the inside of my thigh. His hand reached my cunt and he began rubbing my clitty. I couldn't believe how easy they both seemed about the whole affair, and it wasn't until afterwards that I discovered that they were experienced swingers. Whatever, Beth certainly knew how to use that dildo to its full effect and made me come three or four times in as many minutes, grinding the dildo into my cunt as Joe eagerly sucked on my tits.

Beth pushed the dildo into my cunt as Joe sucked on my tits

Beth then told me that they were staying in the bridal suite and invited me up a little later on. "And if you can bring along another man?" she suggested. I knew just the man for the job! As I told you, Paul knew all about my activities and was more than happy for me to indulge, provided I kept him informed. Only this time, I wanted Paul to experience it for himself so I made a quick call to him.

Paul was up at the hotel by 11.30 that evening, although I didn't reveal what I had planned. Leading him by the hand upstairs to the bridal suite, I knocked on the door and was let in by Beth. The room looked great; there were candles and incense burning and a blue movie was playing on the television. Beth was dressed in a silk basque and matching knickers, and no sooner was Paul through the door than Beth was inviting him to undress her.

He didn't waste any time, his hands running all over her body as he peeled off her underwear. Beth then took command of the situation, undressing Paul as fast as she could and then taking hold of his cock. She dropped to her knees and started sucking him off. Just as it looked as though Paul might come, I took over from Beth and led Paul onto the bed. I pushed him onto his back and then straddled him, pulling my knickers to one side and lowering myself onto his cock. He gasped as he felt my wet cunt envelop him, then I really started bouncing up and down energetically.

Beth and Joe took this as their cue to start fucking, and I looked around to see Joe sitting down on a big leather chair as Beth ground her cunt onto his prick. The four of us almost seemed to be in rhythm, our screams and grunts almost drowning each other out! When I felt myself coming, I looked over at Beth as if to signal my impending orgasm, and she reached down and eased a finger inside her cunt alongside Joe's prick. It was amazing – the four of us all orgasmed within seconds!

The rest of the night was spent swapping and shagging in an orgy of fucking! We all had a great time and I've kept in touch with Beth and Joe since they left. Paul and I have been invited down to a party that they're having in a couple of weeks, so I imagine I'll be writing again with more tales of our sexy swingers. I'll keep you posted! – *Sonya, Edinburgh* ♣

sarah

Photographs by Bob Twigg

Everyone likes a lie-in on a wet wintry weekend, and Sara is no exception. The only difference is that the 20-year-old's time in bed is not spent asleep. Most of it is spent gently fondling her boobs, teasing her nipples and stroking her pussy. Then she ventures further, slipping a finger inside and lightly flicking her clitty until she is engulfed in a slow subtle climax...

"Of course it would be nice to have a guy to do all this for me," she says with a smile, "but at the moment there isn't one. I miss having a man so much my pussy aches for attention, so I have to just satisfy myself. But I'd rather it was one of you..."♣

We cannot predict the reaction from the authorities to this open approach to the previously unexplored and unavailable world of fetish sex, so we urge you to make your purchase today in case this ad is now allowed to appear again.

Foot Fetish £24.95

FOOT FETISH, female domination and the world of leather, rubber and latex are all here in the strongest foot fetish video available. Pregnant Love £29.95

A SPECIALIST subject that attacts many thousands in the UK. Women in the full flush of pregnancy are seen by many as being at their most beautiful, sensual and sexual. This video explicitly explores many "Milking Maids" in wide ranging sexual acts in intimate explicit close-up and slow motion. **Not just a horny experience but also an unusual, beautiful and moving one.**

[redacted] Love Farm £29.95

THIS video has changed hands for over £150 in Soho. We cannot describe its hard action contents fully here, but we believe the title says it all. This video is the only one of its type available in Britain today that we know of. If this subject is your thing, you will never see a harder, more explicit example of this exciting sexual topic — **only for the most unshockable viewer. It's unbeatable.**

Granny Sex £24.95

HARD, explicit and graphic. Women over 40, and 50 and even over 60! Some are fat, some are thin, all are experienced and dirty. The sex is incredible, full sex, A and O with plenty of splash — loads of old fashioned underwear (including corsets and directoire knickers). **These are the horniest grannies in Europe and they're out to prove it! They've had years of sexual experience.**

Female Shaving £24.95

Truly magnificent hairless muffs as smooth and hairless as a billiard ball.**

Lady's Doctor £24.95

Do not buy this video unless you know just what to expect from the ultimate adult, games of doctors and nurses. **This video was intended to shock — and it does! It won't be around for long — buy it today!**

EXCITING

John Holmes and Ursula
The Man with the biggest weapon in the business uses his ten inches to great effect — Lucky Ursula takes it from every angle in this **uncut** special. Every sex act imaginable, all in graphic detail.

Exciting
Another classic previously only available on the Continent. Full of the best from behind penetration you will ever see. A sensational uniform lesbian scene. We're talking hot, hot action.

DICK RAMBONE
BUFFY
SEKA

Dick Rambone Does Buffy Davis
And he does!!! Big buxom Buffy is "done" in every conceivable position with Dick's throbbing rampant digit. Finishes with a terrific two on one scene. Good close-up and penetration shots.

Seka Special
Probably the most explicit film we've been lucky enough to see. Superb oral action. An excellent porno nurse scene and a memorable orgy. Seka is incredible. This really should not be missed.

*This set will sell individually in shops for more than *£200 in total. They're yours for only **£19.95**. Yes, £19.95 for all four not £19.95 each.*

WARNING: All these films are uncertificated, imported from Europe. These films are totally uncut featuring harcore scenes. These are not for sale in any other outlet in the UK. These films contain highly explicit sexual material. They feature close-ups of intercourse by groups, lesbians, males and females.

SET 2 *WORTH *£200 — Special Offer Price £19.95*

Sexy GIRLS
COLOR CLIMAX 125

Sexy Girls
Packed with well-built horny girls and a variety of household implements plus total oral explosion and a very large selection of very large hot rods. Horny mixed action and a variety of pleasuring positions.

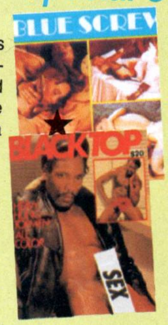
Exactly what you would expect from this classic Scandinavian title. Excellent ejaculation action and hot lesbian scenes. Open legs, open mouth, open up and in he goes — it's hard, fast and explicit.



Blue Screw
The best group and lesbian action available. Full penetration, orgasm and oral/toss. This film is guaranteed to bring you instant sexual relief. The three girl lesbian orgy is a classic. You'll find their antics incredible.

Black Top
A special for gays, and girls who like their man big. This is a hot all male film with more rigid muscle than we've seen before. Absolute filth and smut, full of torrid sex action.

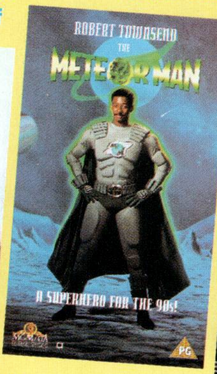
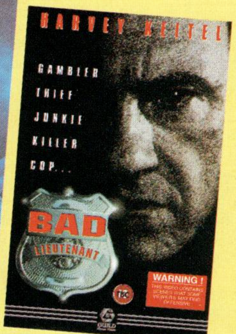
TERROR VISION

Dean Isherwood reviews the latest videos – from behind the sofa...

Night Of The Living Dead
Tartan Video
Certificate: 18

Horror films don't get much spookier than this 1969 flick from George A. Romero, and I've got the SKID MARKS on my shreddies to prove it! If flesh-eating zombies leave you cowering behind the sofa, then I'd advise you to avoid this flick. This film may be 25 years old, but is manages to make the likes of *Evil Dead* look like *Bambi*.





Basically, a freak molecular mutation *(Goddamn, that old chestnut, huh?– The Ed)* has meant the dead have risen to devour the living and a group of them – looking how I'd imagine Nina Myskow does first thing in the morning – have cornered some poor sods in a deserted farmhouse. Suffice to say, they don't get out by simply walking through the front door and the words 'cannibals', 'human flesh' and 'an insatiable appetite for' sum up the predicament they soon find themselves in. A genuinely frightening film – just make sure you've got plenty of LOO ROLL in the house...

The Meteor Man
MGM/UA Home Video
Certificate: PG

Robert Townsend is FUCKING FUNNY, okay? I only say this because it seems to have escaped the majority of people who gave this film a wide berth when it came out in the UK a couple of years ago. Suckers.

Robert Townsend is *The Meteor Man*, a teacher who is hit by a meteor and finds himself endowed with superhuman powers. The only problem he has is his fear of heights, which limits his flying altitude to four feet off the ground! Using his new-found powers he soon brings peace and harmony to the neighbourhood where he lives. Schmaltzy? Of course, but this film makes a great change from the usual GUNS, HO'S and DRUGS stuff and features acting debuts from Cypress Hill, Naughty By Nature and Big Daddy Kane. Funnier than *Batman*, harder than *Superman*, *The Meteor Man* is out of this world.

VIDEO OF THE MONTH
Bad Lieutenant
Guild Home Video
Certificate: 18

Hey, there is a God after all... there must be to bless us with two films with Harvey Keitel in as many months. First of all, I make NO APOLOGIES for my slavering review of *Dangerous Games* last month, and do you know what? I'm going to do the same thing again this month...

Harvey is the *Bad Lieutenant* and he's so cool it HURTS. He's addicted to coke, drinks like a fish and steals drugs off the bodies of dead junkies – and that's just his good points!

However, redemption arrives when he's assigned to investigate the case of a woman who is brutally attacked. The film does turn a bit soppy towards the end, but I'll let that pass. Harvey Keitel has again proved himself to be the best actor in the world. Rent it NOW.

and felt sure she must have seen that I was frigging myself.

I turned off the shower and grabbed my towel as Sally walked slowly towards me. She noticed a few small bruises on my shoulder and expressed concern. "Look why don't you sit on the bench," she said. "That shoulder looks a little painful – let's see if I can do anything for you."

I sat down on the bench in front of Sally, covered in my damp towel as she examined my shoulder. She coated her hands in massage oil and started to vigorously massage the back of my neck. "Does that feel any better?" she whispered. I nodded. It felt incredible. He hands pulled my towel down just a little bit further and she rubbed my back.

Sally then poured more oil onto my neck, but missed and a glob splashed down onto the top of my thighs. "Ooops, sorry about that," she said. As Sally continued massaging my neck and shoulders, I could feel the cool liquid trickling down between my thighs. I reached down and rubbed the oil into my skin and my hand snaked under my towel. I could feel my pubes brushing lightly against my finger tips and the warmth of my cunt – I was definitely getting turned on!

I crooked the index finger of my hand in towards my pussy lips and gently rubbed, praying that Sally wouldn't notice. As Sally reached down to get more oil, I opened my legs wider and pushed a finger right inside my cunt. My thumb pressed against my pubic bone and I could feel my cunt getting wetter and wetter. It felt incredibly daring to be frigging myself so shamelessly and it was all I could do not to scream out in pleasure.

Then I felt Sally's lips brushing gently against my ear. "Are you sure you're okay down there?" she teased. She slid her hands under my towel and cupped my breasts. I guessed that I hadn't kept my frigging as secret as I thought! As her fingers circled my nipples, I pulled the towel away so that I was naked – there didn't seem to be any point in being bashful! "I'm almost there," I panted breathlessly. My thighs had started to twitch as the excitement built up around my clit and Sally moved around so that she was in front of me.

Dropping onto her knees, she planted her face into my muff and lashed my clitty with her tongue. Holding onto her head, I screamed out as an orgasm pulsed right through me and I came all over her face. "Thank you, thank you," I gasped.

Once I'd recovered enough, Sally gave me the full benefit of her practised tongue as I lay back across the bench with my legs wrapped around her neck. There were always rumours at the centre that Sally was a lesbian – and I was only to happy to discover that for myself! I'm thinking of giving up my early morning exercises at the sports centre in the near future, I reckon going through the paces with Sally would keep me fit enough. What do you reckon?! – *Jenny, East London*

DOUBLE DELIGHT

As a regular reader of Club, I know that loads of your readers have fantasies about threesomes – and I was lucky enough to encounter two beautiful women who made this fantasy come true for me recently.

I work for a PR company in Nottingham and there are two very sexy girls who work beside me, Antonia and Shelley. They're both 18 years old, and as far as looks go they're both very similar: small pert breasts, thin waists and a long legs. The only difference between the two of them is that Antonia is a redhead, whereas Shelley has long, blonde hair.

They both arrive for work at the same time in the morning and leave together, and I had always assumed

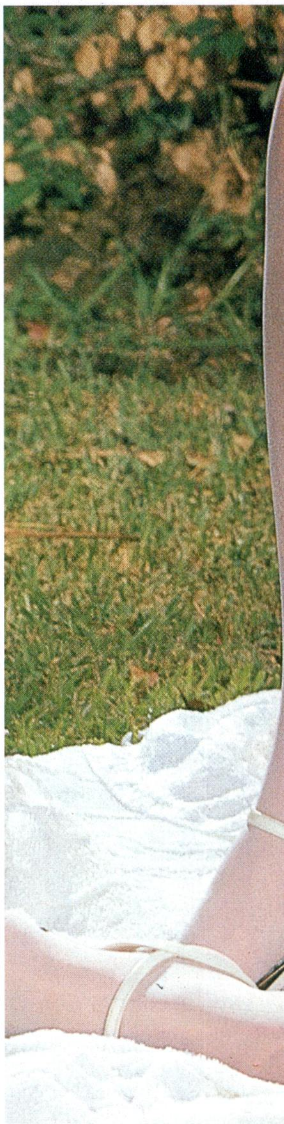
Double-D Diane wants to find a fella who's not turned on by big boobs. "All the guys I've been out with have been so keen on my tits they've just played with them all night," sulks the 22-year-old. "But they forget there are other bits of my body worth a little attention..." To prove it

Diane reveals a pert posterior and trim pencil slim pussy that she claims are often overshadowed by her other assets. "There must be a man out there who'll lick my lips and tease my clitty with his tongue for a while rather than just bouncing my boobs like a pair of beach balls!"

Well, we could always try. ♣

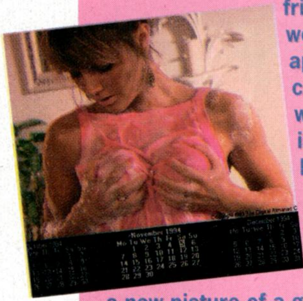


LOVE BYTES

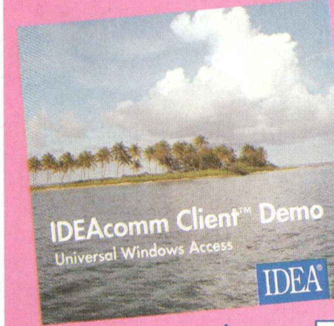
There's loads of trouser-arousing computer software around, but is it any good? **Steve Duresse** looks at the best CD-ROMs on the market

Digital Almanac Venus Collection £19.95

If you fancy hanging a girlie calendar on your wall but you're worried that your wife/girlfriend/boss wouldn't approve, you could do worse than invest in the DAVC.



It changes each day to feature a new picture of a gorgeous girlie. The images are all top-quality, although definitely on the soft side. That means there's not much for fanny fans, but if you're more the tit type you'll be all right. You get a three month calendar display along with a quote for the day, horoscope and a list of notable dates.



There are 65 pictures in all, which can keep you going for a couple of months, although if you do have a particular favourite you can select it as your wallpaper forever.

Cover Girl Strip Poker On-Line £34.99

Now this is more like it on the CD-ROM front. As the name implies, you're thrust into a game of poker where the temperature's hot and the stakes are high. You choose an opponent from a collection of well-known models (including Trine Michelson, Maria Whittaker and Donna Ewing) and play poker until all her clothes fall off. Four of the girls feature in video strips directed by top glamour man Ulf Stjernbo, while with the others you have to be content with a series of ever-more revealing photographs. You get comments from the girls, encouraging you to bid even higher, and some cracking music on the CD-ROM.

If you find you're always on the losing side, and never get to see the women naked, here's a useful cheat. Enter your name as Indigo and you're bound to be a winner whatever cards you play.

Digital Dreams £6 per magazine

Now for some good news from the world of publishing. *Digital Dreams* is a new magazine dedicated to pervy software on the PC and Mac. The bad news is that it's a bastard to track down and when you finally find a copy you'll be relieved of nearly six quid for a total load of bollocks – if the first issue is anything to go by. The printing quality's crap and there's far too much general computer news for my liking, but at least there's a half-decent cover-mounted CD-ROM.

This takes the form of Digital Dreams cinema. You can either browse in the photo gallery or view one of the 12 video clips. The shortest of these lasts about three minutes, but there's over three times as much of the fabulous Shanine Linton (my favourite!). The quality's a bit jerky but it'll be enough to tempt your todger into life – and that's more than you can say about the mag.

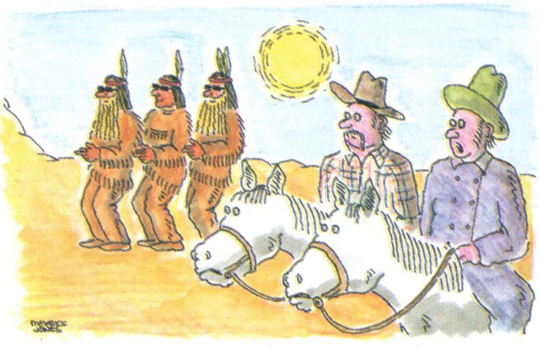
that they shared a flat or were at least good mates – but last week I discovered the truth...

It had been an incredibly busy week at the office, and I had to work until nine o'clock one night. As I locked up my own office and prepared to leave, I passed Antonia's office and heard muffled giggles and laughter coming from inside. I couldn't resist peeking around the door and when I did I could hardly believe what I saw. Antonia was lying across her desk with her eyes shut and her legs spread wide, and Shelley was kneeling at the foot of the desk holding her pussy lips open and darting her wet tongue inside her ginger snatch. Antonia was throwing her head around, her loud cries of delight filling the room. I had never seen anything like it before, and I was absolutely transfixed.



Someone's been selling them old rock videos

Suddenly Antonia opened her eyes and looked in my direction. "Look who's here, Shelley," she drawled sexily. Shelley turned around and I could see her lips glistening with Antonia's wet juices. "Well, are you just going to stand there then?" asked Antonia.

I hesitated for a second, then walked in and shut the door behind me. "Sit down on the chair," said Shelley. "It'll be your turn in a little while."

Shelley walked towards Antonia and ran her hands through her long hair and then pulled her close and they kissed passionately. I could see Antonia's nipples poking proudly through her blouse as Shelley began to undo the buttons. Antonia's top fell to the floor and Shelley reached around and unclasped her bra and her tits fell free.

Shelley's fingers played over Antonia's breasts, before her mouth moved onto her nipples and she began to suck on them. Meanwhile Antonia had loosened Shelley's blouse and had unzipped her skirt. It didn't take very long before they had undressed each other and were only wearing their panties and high heels.

Then they turned to faced me and walked towards me, their hips swinging from side to side. Shelley kissed me first and I could taste Antonia's tangy come juice on her breath, while Antonia undid the buttons on my shirt and loosened my belt. Antonia knelt down in front of me and kissed her way over my stomach, while Shelley proffered her tits to my mouth and I greedily sucked on them.

I looked down to see Antonia with a sexy smile across her face as she playfully tugged on my zip and released my throbbing cock, slowly peeled back my foreskin and began to run her tongue around my helmet. I gasped as I felt her draw my length into her mouth, her wet lips running along the underside of my shaft and teasing my balls. As I watched her head bobbing up and down, I felt a surge in my loins. "I'm going to come," I told her. Antonia pulled my prick out of her mouth and I sprayed my load all over her neck and breasts. Then Shelley quickly moved towards Antonia and began licking my come off her skin. I had never seen anything like it!

I sat back in a chair as I marvelled at the sight of Shelley lapping her tongue all over Antonia's tits, then they both turned towards me. "Now we want your cock," said Antonia. Shelley walked towards me and then sat astride me on the chair, while Antonia grabbed hold of my prick. Shelley held her pussy lips open and lowered herself down as Antonia guided my cock inside Shelley's tight, wet cunt.

I started thrusting upwards into Shelley, as Antonia reached down between my legs and started tugging on my come-filled balls. I kept a firm grip on Shelley's beautiful arse as I fucked her hard and fast, until I could feel myself coming again. Shelley was squealing loudly now and Antonia heightened her passion by sucking on her nipples until she reared up and then sank back down again as we both came at exactly the same time.

Our bawd-room meeting had a spectacular finale, with Shelley and Antonia both lying across their desk in a filthy 69 session while I took it in turns to lick, suck and fuck their pussies! I still can't quite believe what an outrageous night I had with those two cock-hungry girls – and you can bet the three of us will be having a few more late nights at the office! – *Pete, Nottingham* ♣
